Summer

Flexible Format

An excellence you may appreciate most is the flexible format of Summer 1981 classes. Summer sessions offer traditional or highly concentrated units of study, ranging from a weekend workshop to a ten-week session.

1. June 15 — Pre-session (through June 19) and ten-week session (through Aug. 21).

2. June 22 — Regular session, eight-week courses (through Aug. 14).

3. Aug. 17 — Post session, one-week courses (through Aug. 21).

4. Aug. 24 — Interim session, (through Sept. 11).

The University

For 91 years, the University of Northern Colorado has had a nationally preeminent Summer Session.

Each summer, the 11,000-student campus enrollment tapers to 6,000, allowing a personalized academic experience.

The University is accredited by the North Central Association of Colleges and Secondary Schools.

Summer Session at UNC is a university in microcosm. Four sessions, a wide range of programs, and fine facilities, including the James A. Michener Library, are pleasantly accessible.

Greeley

Greeley's excellencies lie in its ambience of tranquility and energy; an interesting blend of historical and new; and a mixture of culture and the Western spirit. The location of this pleasant city of 64,000 is the center of rich farmland, open prairie and cattle ranches to the east and north, the excitement of urban Denver to the south, and the grandeur of the Rocky Mountains to the west.

Excellence is UNC

Each summer, the University of Northern Colorado attracts great creators. They come as teachers, performers, artists, statesmen—and as students. They come to live and create in a fertile and congenial atmosphere within the shadows of the Rocky Mountains.

With its emphasis on excellence in teaching, UNC expands the horizons and careers of those who come to learn. Whether you come to take one course, update teaching credentials, or pursue a degree, you also can find excellence reflected in such areas as UNC's flexible class formats and in its rich cultural offerings, all within Greeley's small town ambience.

The atmosphere is one of family and friends coming together to share the exhilaration of scholarship.

Join us in excellence.

A Summer with the Arts

Guest artists of national and international stature join University students and faculty in the annual Summer Festival of the Arts, a highlight of the summer session. The festival is sponsored by the College of Performing and Visual Arts and features a wide variety of cultural events, including art exhibits, plays, musical comedy, opera, recitals, and band and orchestra concerts. UNC performing groups include the summer companies of Opera Theatre and Little Theatre of the Rockies, the Festival Orchestra and Wind Ensemble and the Summer Symphonic Band.

The Summer Festival Orchestra and Wind Ensemble perform five orchestral concerts, one opera and two wind ensemble concerts, highlighted by appearances of guest conductors and guest artists. The Summer Symphonic Band performs four Concerts Under the Stars.

Little Theatre of the Rockies (LTR), and Opera Theatre, provide summer students an opportunity to enjoy a professional experience in legitimate resident theater. The program of six productions in as many weeks includes four dramas, an opera and a musical. Company members are involved in both the acting and technical aspects of professional theater, working under the excitement and intensity of a rigorous production schedule.

Members of the summer company are chosen from outstanding applicants from across the nation. They include college and university students, teachers of drama and performers seeking to increase their repertoire and technical experience.

University credit hours, tuition waivers, scholarships and salaried positions are available to qualified applicants. For further information, contact John Willcoxon, Little Theatre of the Rockies; Howard Skinner, Summer Festival Orchestra/Opera Theatre; or Eugene Corporon, Summer Festival Wind Ensemble/Symphonic Band. The address is 1981 Summer Festival of the Arts, College of Performing and Visual Arts, University of Northern Colorado, Greeley, Colorado 80639.

Study-Travel Courses

Political Science in Greece and Bulgaria

PSCI ID 308-508, July 26-Aug. 15, 10 credit hrs.

A unique opportunity to discover at first hand the significant political, social and economic differences between the age-old democracy of Greece and one of Communism's most orthodox regimes, The Peoples' Republic of Bulgaria. Yet, beyond the socio-political contrasts, study tourists will perceive two historic cultures that transcend the modern world.

We will walk among Athenian ruins that once echoed the democratic orators of the Age of Pericles. Then we are transported to the little-known but ancient Bulgar society celebrating its 1,300th year in 1980-81.

One week of preliminary study (July 20-24) on campus will precede travel. Estimated cost is \$2,400. Application deadline is May 1, 1981. For further information, contact Dr. Richard Perchlik, Political Science Department, University of Northern Colorado, Greeley, CO 80639. Phone: (303) 351-2058.

Caribbean Oceanography

OCN 599-502, June 13-21 and Aug. 5-13, 3 credit hrs.

An oceanographic cruise and study tour of the British Virgin Islands and Caribbean coral reefs will be made twice during the summer of 1981: June 13-21 and August 5-13. Biological, geological, chemical, and physical aspects of the Caribbean Sea will be studied and field observations will be emphasized. Scuba diving is optional, and students will be expected to help sail and navigate.

There are no prerequisites, but background in geology and biology is useful. Approximate cost is \$325, plus air travel and tuition. Space is limited, so a \$100 deposit is necessary to secure a bunk for you aboard the 44-foot yacht.

For additional information, write or call Dr. Richard A. Slater, Department of Earth Sciences, University of Northern Colorado, Greeley, CO 80639. Phone: (303) 351-2647.

Cultural Awareness: Food, Culture and Health in the Orient

HEC 393-593-570, June 11-July 3, 6 credit hrs.

A 23-day study-travel exploration of the food, culture and health of the Orient, focusing on Japan, China, Hong Kong, and Taiwan. Guided educational visits planned to cultural sites, health facilities, agricultural centers, food processing facilities, and universities in Tokyo, Beijing, Chen-Tu, Chang-sha, Kweidin, Kwang Chow, Hong Kong, and Taipei. A keen interest in the subjects, individual study of assigned reading, and participation in the pre, interim and post study-travel seminars are required. Estimated cost is \$3,000. For more information, contact Mrs. Elisabeth Wirick, Crabbe Hall 308, University of Northern Colorado, Greeley, CO 80639. Phone: (303) 351-2085.

Geology of Iceland

GEOL 597, July 25-August 15, 10 credit hrs.

Study and tour this land of ice and fire by land and air. Visit classic areas of glaciation, volcanism, and rifting on this island astride the mid-Atlantic Ridge. Field studies, plus classroom lectures and seminar discussions make this a course of exceptional interest. Prerequisite is one introductory geology course. Approximate cost of \$2,900 includes all tour expenses and tuition.

For additional information and application forms, write: Dr. K. Lee Shropshire, Department of Earth Sciences, University of Northern Colorado, Greeley, CO 80639. Application must be made through Dr. Shropshire before April 15. Phone: (303) 351-2285 or 351-2647.

HIST 298-598, June 29-July 15, 10 credit hrs.

Itinerary includes Helsinki, Moscow, Kiev, Yalta, and Leningrad. Comparison of Czarist and Communist Russia is theme of tour. Visits to czarist palaces alternate with visits to Soviet nurseries, kindergartens and Pioneer camps. Performances of ballet, circus and folk ensembles blend past and present.

No prerequisites. Anyone qualified to enroll at UNC may go. Estimated inclusive tour cost: \$1865 from New York; \$2190 from Denver. Tuition is \$300 for out-of-state as well as in-state students. Deposit of \$200 secures reservation. Class size limited to 17. For more information, contact Dr. Dean Arnold, Department of History, UNC, Greeley, CO 80639. Phone (303) 351-2898 or 352-6730.

The Department of Parking Services is responsible for the enforcement of the campus parking regulations. Decal sales, fine payments, and hearings are handled through this office located at 1027 20th Street.

During the summer session only J lot, south of the west campus dormitories, is free. All of the other lots require a properly displayed decal. Decals are valid for specific lots and are valid in those lots only. Decals go on sale for the summer beginning June 1, 1981.

Fines are imposed for violation of parking regulations. The amount of the fine is based on the seriousness of the violation. Fines may be paid or a hearing requested at the Parking Services office. Any fine not paid, or a hearing applied for within 10 calendar days from the date of the courtesy reminder, is assessed a \$5 per notice penalty fee. Uncleared notices are billed to student accounts.

If you plan to park a vehicle at the University, please acquire the necessary permit before parking on campus. For more information, contact University Parking Services, phone (303) 351-2131.

Fees and Expenses

All rates quoted below are subject to a provision that the University reserves the right to change tuition, fees and other charges without notice. As with all state-supported institutions, the tuition rates are affected by legislative action which may not be completed until late spring of any given year.

Revised information concerning tuition and fees may be available prior to registration. Contact the Student Resource Center, University Center, University of Northern Colorado, Greeley, CO 80639, (303) 351-2796.

(a) University, Student, and Health Services Fees are committed for the support of student activities programs, the Student Health Center, and the Student Representative Council. No part of these fees is remitted to those students who may not desire to make use of any or all of the privileges provided. Students will receive a Certificate of Registration upon completion of Step 3 of the registration process, that will be required for University events.

(b) Health Insurance coverage is optional during the summer quarter only. If you were not enrolled in the student health insurance program spring quarter, 1981, you do *not* have health insurance coverage for the summer quarter, 1981. This insurance can be obtained only by requesting coverage at registration or at the Student Health Center during the first week of the quarter.

Your right as a student to classification as a resident for tuition payment purposes in a state institution of higher education is determined under State Law Title 23, Article 7, Colorado Revised Statutes 1973, as amended.

Administrative procedures fix status *before or at the time of registration*. If, following a registration, the status conferred on a student is questioned for revision, appeal may be made during the first five days of classes on a specific form and the case will be reviewed by the University Committee on Residence Status. The determination by the committee following the review is final. All matters concerning residency status rulings shall be filed with the Office of the Registrar, where referrals will appropriately be made to the University Committee on Residence Status.

Tuition for courses offered through Continuing Education is assessed separately from on-campus tuition and fees, and on a different schedule as mandated by the Colorado Commission on Higher Education.

Tuition and fees will not be adjusted after the last day for adding classes.

To be eligible for a refund of any kind upon withdrawal from school you must present a formal, approved Withdrawal Clearance form at the Accounts Receivable Office. Refunds are not prorated; rather, they are made in terms of the policy statements below and the residence halls lease.

Refunds allowed against paid tuition and student services fees upon withdrawal are provided as follows:

1. Undergraduate students may not enroll in 500-700 level courses, except that qualified juniors and seniors may enroll in 500-level courses if they present a properly signed permit to enroll form.

2. The normal undergraduate course load for a quarter is 18 hours of credit. Beginning June 22 and ending June 29, you may get permission to enroll for more hours if necessary. Undergraduate overloads must be approved by the Dean of Students or assignee who signs the permit to enroll card. This card is presented to the terminal operator at the Registration Center when selecting classes that involve an overload. Additional tuition is charged for every credit hour over 18.

3. Student Teachers. All full or part-time student teachers, not taking any other courses, complete their registration materials and turn them in to the EDFE Office and do NOT go to the Registration Center. Student teachers taking other courses while student teaching complete Step 2 for the other courses only. EDFE 444, Supervised Teaching (student teaching), registration is done in the EDFE office only.

Special Graduate School Registration Instructions

1. All unclassified graduate students (not officially admitted to a graduate degree program) must report to the Graduate School Office, Frasier Hall, Room 108, for advising before proceeding to Step 2. The course selection card must be completed and signed by Dr. George Leach. Please note that anyone who has not received an official admission notice from the Graduate School Office is not in a degree program.

2. The *Graduate School Bulletin* states "The normal load for graduate credit applicable to a degree is 15 hours per quarter. Overloads (16 to 19 quarter hours) must be approved by the Dean of the Graduate School. Under no circumstances may a student count in a degree program or certification more than 19 hours of coursework in fall, winter, spring or summer quarter....The maximum number of hours includes work completed in either the on-campus or off-campus programs or in a combination of the two types of programs."

Students who wish to count more than 15 hours in a degree program must secure the signature of the Dean of the Graduate School (Graduate School Office, Frasier 108) by 4 p.m. of July 20, 1981. The Dean will provide the Authorization to Take an Overload form and will have the form placed in the student's permanent file for use by the graduation clerk at the time the student applies for graduation.

Step 2. Selecting Courses

In Person

Select courses at the Registration Center in Room 247 of the University Center anytime on or after the date that appears on the course selection form. The Registration Center is open to process course selections and schedule changes on all regular working days between 9 a.m. and 4 p.m. All "holds" must be cleared by the appropriate department before you may select courses.

On Monday, June 22, students are admitted to the Registration Center at the time assigned below and follow the procedure for course selection outlined below.

(This course status board is constantly changing as students add or drop courses from their schedule; therefore, you should check the board before making any course selections.)

b. Enter the four-digit course identification number of each desired course on the course selection form. The course identification number is found at the left of each course entry in the *Summer Bulletin*. The desired number of credit hours is to be entered only if the course is offered for variable credit, or if you desire to enroll for no credit.

c. If you do not wish to pay the \$2.00 CoPIRG fee, you should initial the appropriate box on the course selection form. (See explanation of CoPIRG fee below.)

d. Present the course selection form to a terminal operator at the Registration Center.

e. You will receive a Registration confirmation showing what you have just selected as you leave the Registration Center. This should be checked for accuracy.

By Mail

If selecting courses by mail use form 4 on page 63. (If you have never enrolled at UNC or have not been enrolled since Fall 1959 you must also complete form 3 page 61 and return to the Admissions Office or Graduate School along with form 4.) *Course selection forms received after May 22 will not be processed and will be returned to sender.*

a. Enter the four-digit course identification number of each desired course on the course selection form. The course identification number is found at the left of each course entry in the *Summer Bulletin*. The desired number of credit hours is to be entered only if the course is offered for variable credit, or if you desire to enroll for no credit.

b. If you do not wish to pay the \$2.00 CoPIRG fee, check the appropriate box on the course selection form. (See explanation of CoPIRG fee below.)

c. You will receive by mail after May 27 a printed copy of your registration schedule showing what you have selected, as well as a statement of account including tuition, fees and miscellaneous charges (Step 3). Payment must be made by June 29, or registration will not be considered final, and class space will be released to other students (Step 4).

Making Schedule Changes and Corrections

Corrections and changes to your schedule of classes are made by using the schedule change form on the reverse side of the registration confirmation form. These changes can be made any time (except June 22), after you first select courses for summer quarter until June 29.

a. Check the course status board to determine whether or not the desired section is available.

b. Enter the four-digit course identification number of each desired course on the *add* portion of the schedule change form. The desired number of credit hours is to be entered only if the course is offered for variable credit, or if you desire to enroll for no credit.

Enter the four-digit course identification number of each course you wish to drop from your schedule on the *drop* portion of the schedule change form.

c. Present schedule change form to a terminal operator at the Registration Center.

d. Before leaving the Registration Center, you will receive a copy of the registration confirmation form for the quarter in which you are making the transaction.

Special Notes

Course Restrictions. There are several courses listed in the *Summer Bulletin* that are restricted to certain classes of persons. The appropriate restriction is indicated under the column prerequisites and notes. When such a restriction is noted, you must present to the terminal operator a special *permit to enroll card* which is signed by the appropriate faculty member.

Nonscheduled Courses. Students are permitted to enroll in nonscheduled courses with the permission of a supervising faculty member. Nonscheduled course enrollments are processed at the same time as other course selections at the Registration Center. Use 8000 as the course identification number and indicate the number of hours for which you wish to enroll on the course selection form or schedule change form. Present the completed nonscheduled course form to the terminal operator at the time of the transaction.

CoPIRG Fee. "CoPIRG is the Colorado Public Interest Research Group, an action and research oriented organization established by the university students of Colorado. Student contributions of \$2.00 and student energy have enabled CoPIRG to provide free money-saving consumer help and to work toward the protection and betterment of our environment."

Step 3. Picking up Schedule of Classes and Statement of Account

If you complete Step 2 prior to 4 p.m., May 22, you will receive your schedule of classes and statement of account by mail after May 27. Payment must be made by 3:30 p.m., June 29, or the registration will not be considered final and class spaces will be released to other students.

If you complete Step 2 on May 26 through June 16, you must pick up your schedule of classes and statement of account in Frasier Hall after 12:30 p.m. on or after June 17.

Directory information concerning students at the University will be released during the current school year without the prior consent of the student as permitted by law unless within ten (10) days after registration a student has notified the Registrar's Office, located in Frasier Hall, Room 123, that such information should not be released

without his or her consent. This notification must be made each year during which the student is registered. "Directory Information" at the University of Northern Colorado is as follows: (a) name, address, and phone listing; (b) date and place of birth; (c) major field of study; (d) participation in officially recognized activities and sports; (e) weight and height of members of athletic teams; (f) dates of attendance; (g) degrees and awards received; and (h) most recent previous educational agency or institution attended.

Registrations processed in this manner *must be accompanied by full payment* on the same day. If you fail to meet your financial obligation by this date you will not be on class rolls or receive credit.

Withdrawing from Class

You are not permitted to withdraw from a class in which you are enrolled after the mid-point of the course. The last day to withdraw from an eight- or ten-week course summer quarter is July 20. To withdraw from a course, use the schedule change form on the reverse side of the registration confirmation form.

- a. Obtain faculty signatures for every section from which you wish to withdraw.
- b. Enter the course prefix number and section as well as the course identification number of each course from which you wish to withdraw on the *withdrawal* portion of the schedule change form.
- c. Present the schedule change form to a terminal operator at the Registration Center.
- d. Before leaving the Registration Center you will receive a copy of the registration confirmation for the quarter in which you are making the transaction.

Faculty Drop for Failure to Attend the First Two Class Periods

You are reminded that a faculty member can, at his discretion, drop a student who does not attend the first two hours of class meetings in order to make room for other students who wish to enroll. If for some reason you cannot attend the first two meetings, it is advisable to contact the instructor to guarantee registration. *Not all instructors will exercise this option; therefore, do not rely on the assumption that nonattendance will automatically withdraw you from class.*

To Completely Withdraw

To completely withdraw from school during the quarter you must initiate the withdrawal process in the Student Resource Center, University Center. If you make a complete withdrawal from the University you will be charged a withdrawal fee. Please refer to the refund policy, page 10.

To Obtain Transcripts

Transcripts for summer quarter will be available upon request two weeks after the close of the quarter. Transcripts for the summer interim session will be available upon request two weeks after the close of the interim session.

To Be Graduated

Graduation is scheduled at 9 a.m., Saturday, August 15, in the Garden Theater. You are encouraged to attend. Those who choose not to participate must notify the Office of the Registrar (Graduate School for graduate students) at least two weeks (July 31) prior to graduation so that appropriate addresses can be confirmed and graduation details can be clarified with colleges, schools and departments. Students who participate in graduation are required to wear appropriate academic costume. Caps and gowns may be rented from the University Bookstore. No applications for graduation will be accepted after July 2, 1981.

Beginning with his essay, "Walking," the course will probe the reasons why a number of writers have been inveterate walkers. Did they walk to escape the pressures of writing? Was walking, rather than escape, an integral part of their writing? Is it possible that some wrote *while* walking? The course will also propose walking as an avenue to the teaching of writing. Participants will not only read works of literature, but will also write, and their writing will be related to their walking. They will be urged to look, listen, "taste and see," and then turn to the adventure of writing. J. Brand, 351-2971.
