For 94 years, the University of Northern Colorado has hosted a nationally recognized Summer Session. A highly personalized and intellectually stimulating academic environment exists at UNC and is enhanced in the summer when the student body tapers from more than 9,000 to 4,500, while prominent lecturers are invited to participate in various workshops on the campus.

Summer Session fully employs the 236-acre campus, which combines greenery, open space, ivy-covered buildings and efficient, modern facilities, including the James A. Michener Library System which boasts over 1.2 million holdings as well as computerized access to a wide range of research materials.

The University is accredited by the North Central Association of Colleges and Schools. Various academic programs also have special accreditation by the following: American Chemical Society, American Psychological Association, Colorado State Board of Accountancy, Colorado State Board of Nursing, National Association of Schools of Music and National League for Nursing.

An Ideal Location

Greeley's location is special. The city itself offers a special blend of tranquility and energy, culture and the western spirit. It is a friendly city with large trees, green parks, wide streets and 63,000 people. Summer brings America's largest Fourth of July Rodeo with a parade and festivities, an Arts Picnic and various cultural events. The city is located in the midst of rich farmland, open prairie and cattle ranches to the east and north, the excitement of urban Denver an hour's drive to the south, and the grandeur of the Rocky Mountains less than an hour's drive to the west.

For The Family

The entire family can benefit from a summer at UNC.

Individualized reading classes (K-adult) are available. These include individual and group tutoring in remedial reading. Contact the Reading Center, Bishop-Lehr 1520, phone: (303) 351-2908.

Youngsters (K-high school) who are experiencing educational and behavioral problems may attend the individualized Summer Special Needs Program. A fee is required. Contact Dr. Henry Reinert, Bishop-Lehr 1515F, (303) 351-2893.

Greeley Schools conduct classes for youngsters from second grade through high school. Contact Greeley District Six Schools, 811-15th Street, Greeley, Colorado 80631, phone (303) 352-1543.

Talented, gifted, and creative children (grades 5-9) may apply for acceptance in a Summer Enrichment Program especially designed for them. Contact Summer Enrichment Program, Bishop Lehr 1515H, phone (303) 351-2683.

A comprehensive program of arts, sports, and other activities is offered for all ages by the City of Greeley's Recreation Division. Programs include open swimming, swimming lessons, tennis instruction, baseball,

softball, track, wrestling, gymnastics, playground programs for youth, instructional programs such as ceramics and stained glass, and special events programs during June. Contact the Greeley Recreation Division, phone (303) 353-6522.

Residence hall students with children, ages 7-14, may have their children included in UNC's recreational and cultural activities. Contact Residence Hall Summer Recreation Program, Gunter Hall, phone (303) 351-2067.

Greeley's local community college, Aims, is offering a "College For Kids" during the summer months. Some of the courses planned include Discovering the Microcomputer, Working with Microcomputers, Beginning Typing, Photography, Soccer Camp, Creative Dance, Clay Design, Tennis, Beginning Spanish, Wrestling, and Calligraphy. Children, grades 1-10, are eligible to attend. Contact Aims Community College, Office of Continuing Education, P.O. Box 69, Greeley, Colorado 80632, phone (303) 330-8008, ext. 373.

Festival of the Arts

Guest artists from throughout the United States join UNC students and faculty for the annual Summer Festival of the Arts. The festival features a wide variety of both indoor and outdoor cultural events—musical comedies, plays, operas, recitals and concerts. UNC Performing Arts groups include the summer companies of Opera Theatre and the Little Theatre of the Rockies, the Summer Symphonic Band, and Summer Festival Orchestra.

Participants in the Summer Festival of the Arts are chosen by audition from outstanding national applicants, including college and university students, teachers, and performers seeking to increase their repertoire and technical experience.

The Little Theatre of the Rockies Summer Company provides opportunities for pre-professional involvement for approximately 35 theatre arts actors and technicians.

Vocalists may participate in the Opera Theatre Apprentice Program and the Opera Chorus and may audition for roles in musical comedy and opera productions of the Summer Performing Arts Series.

Instrumentalists find performance opportunities in the Summer Symphonic Band and Summer Festival Orchestra as well as in jazz ensembles, brass choirs and chamber groups.

University credit hours, tuition waivers, scholarships and salaried positions are available to qualified applicants. For more information, contact John Willcoxon, Little Theatre of the Rockies; Carl Gerbrandt, Opera Theatre; David Wallace, Summer Symphonic Band; or Duilio Dobrin, Summer Festival Orchestra at College of Performing and Visual Arts, UNC, Greeley, Colorado 80639.

ELDERHOSTEL '85

ELDERHOSTEL combines the best traditions of education and hosteling for older citizens in one-week academic programs on campuses throughout the nation. As part of this program, UNC is offering two stimulating weeks of academic and social activities.

UNC ELDERHOSTEL programs include:

July 28-August 3

Changing Roles of Women and Men
Easy Listening
Reaganomics Update II

August 4-10

Picture This! Improve your Photography
A Friendly Look at the Soviet Union
A Look at the 9 Nations of North America

Persons 60 years of age and older may still reserve space in this summer's ELDERHOSTEL program on UNC's campus in Greeley or reserve space in programs on other campuses across the US. Interested individuals are advised to reserve early; space is limited. Cost is \$195 for a full week of academic/social programs including room and board. ELDERHOSTEL is normally an on-campus residential program, but commuters may make special arrangements to attend. For more information about the UNC program, contact Continuing Education Services, UNC, Greeley, Colorado 80639, phone (303) 351-2944. For information regarding all US offerings, write to ELDERHOSTEL, 100 Boylston Street, Boston, Massachusetts 02116.

Study and Travel

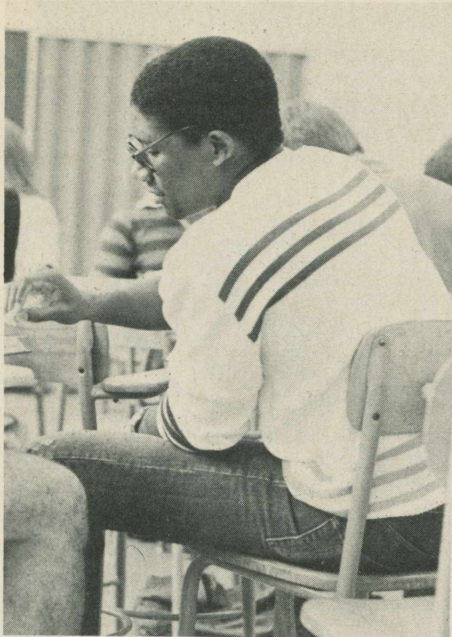

Students may choose from among three courses for study-travel stimulation this year. Courses listed are described in more detail under their headings in the Short Courses/Workshops section of the *Summer Bulletin*.

Field Study of Alaska

Is Alaska the "last frontier" or the last "ecotopia"? This field course—jointly conducted by UNC and Metropolitan State College—will seek an answer to this question. Pre-tour classes will be conducted on both campuses during the week of July 8-12. The tour begins with a July 13 flight to Vancouver followed by a cruise along the inside passage to Skagway. A bus trip to Skagway to Anchorage includes stops at Whitehorse, Fairbanks and Denali (Mt. McKinley National Park.) The tour concludes with a flight back to Denver. There will be an optional post-trip bush flight to Nome and Kotzebue for those interested. Estimated cost of the basic tour alone is \$2,100. Contact the instructor John Dietz, Geography Department, UNC, Greeley, Colorado 80639, phone (303) 351-2342.

See GEOG 392/592-071, July 8-26, M-F, 8am-5pm (10) On-campus study July 8-12)

Undiscovered Ireland

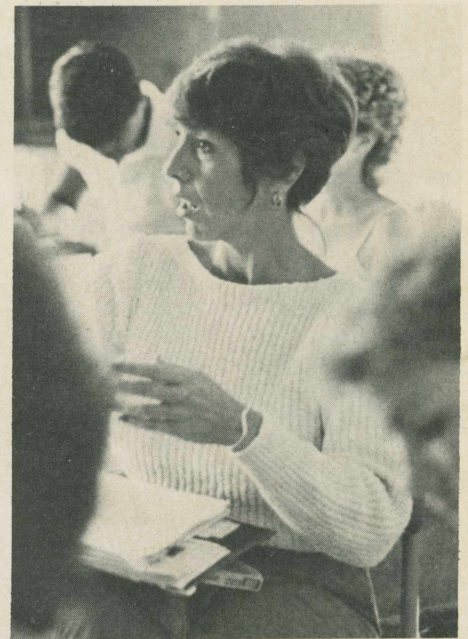

Students will go into the countryside and explore that part of the Emerald Isle which is truly undiscovered, unspoiled and spectacularly beautiful. Western Ireland's rugged landscapes and dramatic seascapes, combined with the traditional culture, make some call it "the most fascinating part of Europe." By sea, boat, horse-cart and foot the group will cover the mountains, boglands, islands, and small villages including the legendary Aran Islands, the lakes and valleys of Killarney, rugged mountains and glens of Connemara, beaches and cliffs of Achill Island, the famed seaside trip "Ring of Kerry," and isolated, mysterious Dingle Peninsula. There will be visits to old country pubs and a banquet dinner in an Irish castle. This course has been planned from much personal experience to include the unusual "little-discovered" physical and cultural wonders of Ireland. It is specially structured to the needs of students and teachers. Estimated cost is \$1,935. Enrollment will be limited to about 25 persons, according to the instructor, Kevin Kearns.

See GEOG 392/592-070, June 24-July 16, M-F, 8am-5pm, (10) (On-campus study June 24-28).

Focus on England

Explore the culture and history of the citizens of London, southern England and Wales. The tour blends the traditional including Parliament, Stonehenge and the National Museum of Wales with diverse educational and cultural activities including socializing/shopping in London's ethnic neighborhoods, and discussing various topics with a professor from an English University. The different people and activities in the English countryside are each explored in the quest for an understanding of England and its people. The estimated cost of the tour is \$1,660. Tour participants (July 1-18) are not required to enroll in COMM 353 and COMM 421/521; however, they are encouraged to audit the COMM 353 class. Contact the instructor, Robert Ross, (303) 351-2045 or (303) 351-2686 for credit in COMM 421/521. Write Focus on England, Speech Communication Department, UNC, Greeley, Colorado 80639.

See COMM 421/521-070, June 28-July 21, Arranged (3).

Old and New China

Learn about old and new China by combining a four-day workshop on campus, July 8-11 and a study tour of China, July 16-August 4. The tour features Beijing, Xi'an, Chengdu, Kunming, Gulin, Guangzhou (Canton) and Hong Kong. Projected cost is \$3,196 per person. For registration information contact R. Perchlik, Political Science (303) 351-2058. Reduced tuition is available for out-of-state students enrolling in PSCI 513.

See PSCI 513-003, July 8-11, M-Th, 9-12, 1:30-5, 7-9 (3) (Required for China Study Tour).

Majors in the teaching profession are offered by many academic departments. UNC also offers several minor fields of study and certification programs. Students who wish teacher certification, must apply for admission to the Professional Teacher Education Program prior to the junior year. Courses applicable to pre-law, professional health fields including pre-medicine and pre-dentistry, as well as pre-engineering are available for students who want to begin these studies at UNC.

Because the University operates on a four-quarter academic year, all programs of study are available to the summer student. The four-quarter plan can help students complete undergraduate requirements for graduation in three years if they elect a program of continuous study. Consult the UNC *Bulletin* (catalog) or an advisor for further program information.

Graduate

Residence Requirements

Master's and Educational Specialist Degrees. Residence credit is credit earned under the conditions specified herein and may be applied toward the attainment of graduate degrees at the University of Northern Colorado. The following conditions must be satisfied regardless of the location in which the course is given.

1. Instruction: The instructor must be a member of the Graduate Faculty of UNC or of the "Graduate Lecturer Faculty" for a particular course under Graduate Council policy.

2. Course(s): The content of each course must be approved by regularly established college and University curricular processes before the course is scheduled or offered.

Doctoral Degrees. After admission to a doctoral program:

1. The applicant must complete a minimum of any two quarters as a full-time student (10 quarter hours) registered for resident credit offered on campus at UNC and applicable to the doctoral degree. *Some departments may have more stringent residence requirements.* (Check with the department.)

2. Instruction: The instructor must be a member of the Graduate Faculty of UNC or of the "Graduate Lecturer Faculty" for a particular course under Graduate Council policy.

3. Course(s): The content of each course must be approved by regularly established College and University curricular processes before the course is scheduled or offered.

All residence requirements must be completed after the student has been admitted to the doctoral degree program. NOTE: Unless the doctoral student is registered for at least six additional hours of classes taken on campus in Greeley, he/she shall *not* count DS or Departmental Prefix courses 601, 622, 701 and 797 to satisfy the residence requirements.

Departmental prefix or DS 799 may not be used under any circumstances to meet the residence requirement.

Admission & Registration

Undergraduate Admissions

Freshman. Students entering college as a degree candidate for the first time, write to the Director of Admissions for information and application forms. To be eligible for automatic admission, students must have graduated in the upper one-half of their class or have earned a score on the American College Test that is at or above the national average. Other minimal admission standards are defined in the *UNC Bulletin*.

Transfer. The University accepts a maximum of 135 quarter hours of transfer credits on undergraduate programs. No more than 96 quarter hours of credit may be accepted from accredited junior or community colleges. Students seeking a degree must submit an official application for admission, a transcript of high school studies and one from each previously attended college. Application forms are available from the Director of Admissions.

Special Students. Undergraduate students planning to attend the University of Northern Colorado Summer Quarter only, must return forms 1 and 2 in the back of the *Summer Bulletin*. Attendance for Summer Quarter does not assure admission for subsequent quarters. Official application for admission must be made if planning to continue a degree program at UNC.

Graduate Admissions

Master's, Specialist and Doctoral Applications. Students should contact the Graduate School for application forms. Graduate Record Examination Aptitude Test scores must accompany the doctoral application.

Unclassified Graduate Student. An unclassified graduate student (not officially admitted to a graduate degree program) may sign up for classes by reporting directly to the Registration Center or by using the mail in selection form in the back of the *Summer Bulletin*. Only 15 hours of unclassified work can be transferred into a degree program. Students who have not previously attended UNC should complete form 1, Statistical Information, before registering.

Registration Instructions

Students are responsible for meeting all deadlines in the *Schedule of Classes* and for fulfilling requirements and policies as stated in the *Bulletin*, and for complete and accurate registration which consists of the following four steps:

Step 1. Obtaining Course Selection Materials and Advising

Step 2. Selecting Courses

Step 3. Obtaining Statement of Account and Change of Address Form

Step 4. Paying Student Account

Registration is complete only after all four steps are completed.

Step 1. Obtaining Course Selection Materials and Advising

Course selection materials for Summer Quarter are mailed to students who were enrolled Spring Quarter 1985 and/or Summer Quarter 1984. Beginning April 29, students may select classes in person by assigned date/time at the Registration Center, University Center 247. To select classes by mail, students may use the mail in selection form in the back of the *Summer Bulletin*. It must reach the Registration Center by May 24.

Students may enroll in the Pre-Session June 10 at the Registration Center prior to the beginning of class, at the first class session, or by mail. Advisor's signatures are not required to select Summer courses.

Step 2. Selecting Courses

In Person

Students select courses at the Registration Center in Room 247 of the University Center anytime on or after the date that appears on the Course Selection form. The Registration Center is open to process Course Selection and Schedule Change forms on all regular working days between 9am and 4 pm. All holds must be cleared by appropriate departments before students may select courses.

On Monday, June 17, the Registration Center will be open from 9 am to 4 pm ONLY for those who have not as yet made course selections. Students are admitted to the Registration Center at the time assigned below and follow the procedure for course selection outlined below.

Students whose names begin with the following letters select courses at the Registration Center after the time indicated.

N-O	3:30

a. Students check TV monitors to determine whether or not the desired section is available. Every section that has closed, or has had meeting date or time changes, or is canceled is indicated by the course identification number. Students are advised to check the added classes lists posted near the monitors for classes that have been added or changed since publication of the *Schedule of Classes*. The TV monitor is constantly changing as students add or drop courses from their schedules; therefore, students should check the monitor before making any course selection.

b. Students enter the four-digit course identification number of each desired course on the Course Selection form. The course identification number is found at the left of each course entry in the *Schedule of Classes*. The desired number of credit hours is to be entered only if the course is offered for variable credit, or if the student desires to enroll for no credit. Tuition and fees are assessed for audit as well as credit registration.

c. Students who wish not to pay the \$2 CoPIRG fee must initial the appropriate box on the Course Selection form. (See explanation of CoPIRG fee.)

d. Students present the Course Selection form to a terminal operator at the Registration Center.

e. Students receive a Schedule Confirmation form showing what they have just selected as they leave the Registration Center. Students are responsible for accurate enrollment.

By Mail

If selecting courses by mail, use form 2 in the back of the *Summer Bulletin*. Course selection forms received after May 24 will not be processed and will be returned to the student.

Registering for Short Course/Workshop

Students registering for short courses/workshops only, listed in the next section, may register in person at the Registration Center, by mail or in the assigned classroom during the first class meeting if seats are available. Faculty will provide registration forms in the classroom if necessary.

Registrations made in the classroom must be accompanied by full payment that first class day; otherwise, the registrant will not be placed on the class roll or receive credit.

Registering Late (June 18-24)

Step 1. Students obtain course selection materials at the Registration Center. Advisor's signature is not required for Summer course selections.

Step 2. Students select courses according to the procedure outlined in Step 2, Selecting Courses.

Steps 3 and 4. Students must take the UNC Registration Confirmation form to the Cashiers windows in Carter Hall to receive their Statement of Account and Change of Address form and to pay their financial obligation. These steps must be completed prior to 4 pm, June 24, 1985 to prevent cancellation of selected classes.

Special Undergraduate Instructions

1. Undergraduate students may not enroll in 500-700 level courses, except juniors or seniors with cumulative grade point averages of 3.0 on a 4.0 point scale may enroll in courses numbered 500-599. Contact the Registration Center (303) 351-2521, prior to enrolling.

2. The normal undergraduate course load for a quarter is 15 hours of credit. If courses taken during the pre-session (June 10-14) or post-session (August 19-23), are added to the 8-and/or 10-week quarter course load and create an overload, permission may be granted for the overload.

Undergraduate overloads must be approved by a counselor at the Dean of Students Office who signs the Permit to Enroll card.

Present this card to the terminal operator at the Registration Center when selecting overload classes. Additional tuition is charged for every hour over 18. See Step 4.

3. All full- or part-time student teachers not taking any other courses complete their registration materials and turn them in to the EDFE Office and do NOT go to the Registration Center. Student teachers taking other courses while student teaching complete Step 2 for the other courses only. EDFE 444, Supervised Teaching (student teaching), registration is done in the EDFE office ONLY.

Special Graduate Instructions

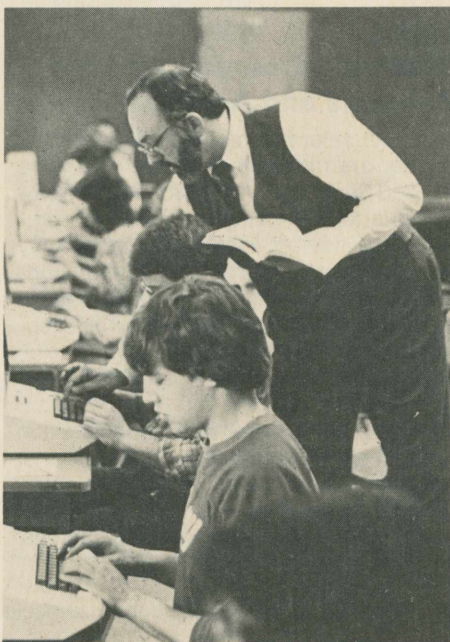

1. The normal course load for a graduate student is 15 hours per quarter. A graduate student may take 18 quarter hours without Graduate School approval if he/she is maintaining a 3.0 or better grade point average. A student who has a grade point average below the required 3.0 is limited to 15 quarter hours. No graduate student will be permitted to take more than 18 quarter hours during the 8- or 10-week session.

2. Regardless of the total number of hours taken during Summer Quarter, only 20 quarter hours will count toward a student's program. Students must attend the pre-, regular and post-sessions in order to count the maximum 20 quarter hours. These can be a combination of, but no more than,

3 quarter hours in the pre-session, 16 quarter hours in the regular 8-week session, and 3 quarter hours of post-session courses. Courses that are taken out of the approved sequence will not be counted toward a degree program.

Faculty Drop

A faculty member can, at his/her discretion during the drop/add period, drop a student who does not attend the first two hours of class in order to make room for other students who wish to enroll. If for some reason a student cannot attend the first two hours of class, it is advisable to contact the instructor to guarantee registration. Not all instructors will exercise this option; therefore, a student should not rely on the assumption that nonattendance will automatically drop one from class.

Making Schedule Changes and Corrections

Class Drop/Add. Corrections and changes to a student's schedule are made in person at the Registration Center by using the Schedule Change form on the reverse side of the Schedule Confirmation form. These changes can be made any time (except June 17), after the student first selects courses for Summer Quarter, until the drop/add deadline. The drop/add deadline for 8- and 10-week courses is noon, June 24. Tuition and fees will be adjusted for schedule changes made until the drop/add deadline. No refunds are given students removing themselves from classes after the drop/add deadline. (See *Withdrawing From Class*). The drop/add deadline for a short-term class occurs when the class has held 15 percent of its meetings.

Procedure:

a. Student checks the TV monitors to determine whether or not the desired selection is available.

b. Student enters the four-digit course identification number of each desired course on the add portion of the Schedule Change form. The desired number of credit hours is to be entered only if the course is offered for variable credit, or if the student desires to enroll for no credit. Tuition and fees are assessed for no-credit as well as credit registration.

Student enters the four-digit identification number of each course to be dropped from his/her schedule on the drop portion of the Schedule Change form.

c. Student presents Schedule Change form to a terminal operator at the Registration Center.

d. Before leaving the Registration Center, a student receives a copy of the complete Registration Confirmation form for the quarter in which the transaction is made.

e. Tuition is not charged for 8- and 10-week courses dropped from the Summer schedule prior to noon, June 24, or for short-term classes dropped prior to when the class has held 15 percent of its meetings.

Withdrawing from a Class. Students are permitted to withdraw from a class in which they are enrolled until the mid-point of the course. The last day to withdraw from an 8-week course is noon, July 15. The last day to withdraw from a 10-week course is noon, July 22. To withdraw from a course, students use the Schedule Change form on the reverse side of the Registration Confirmation form. The instructor's consent and signature is required. Students withdrawing from *all* courses should contact the Dean of Students Office. (See *Reassessment and Refund section*.)

Procedure:

a. Students are to obtain faculty signatures for every section from which they wish to withdraw.

b. Students enter the course prefix number and section and course identification number of each course from which they wish to withdraw on the withdrawal portion of the Schedule Change form.

c. Students present the Schedule Change form to a terminal operator at the Registration Center.

d. Before leaving the Registration Center, students will receive a copy of the revised Schedule Confirmation form for the quarter in which they made the transaction. This should be checked for accuracy.

e. Tuition will be charged for courses from which students withdraw.

Withdrawing from the University. To completely withdraw from school during the quarter, a student must initiate the withdrawal process in the Dean of Students Office at the University Center. Students completely withdrawing from the University are charged a withdrawal fee. Please refer to the *Reassessment and Refund section*.

Other Special Instructions

Obtaining Photo ID Cards, Library Cards. All new students and those returning students not enrolled at UNC after Fall 1981 are expected to have a photograph taken for the University ID card. These are taken at the Registration Center between 9 am and 4 pm when selecting classes for Summer Quarter. Students selecting classes by mail should have their photographs taken during the first week of the quarter at the Registration Center. Student photo ID is required for checkout of library materials, use of recreation facilities and purchase of student tickets to campus entertainment and cultural events. Students attending only short courses/workshops should request temporary library cards at the Circulation Desk in Michener Library.

Course Restrictions. Some courses listed in the *Summer Bulletin/Schedule of Classes* are restricted to certain classes of persons. The appropriate restriction is indicated under the column Prerequisites and Notes. When such a restriction is noted, students must present to the terminal operator a special Permit to Enroll card which is signed by and available from the appropriate faculty member.

Directed Studies and Other Nonscheduled Courses. Students are permitted to enroll in nonscheduled courses with the permission of a supervising faculty member. Nonscheduled course enrollments are processed at the same time as other course selections at the Registration Center.

Students are to use 8000 as the course identification number, and indicate the number of hours for which they wish to enroll in the variable credits column on the Course Selection form or Schedule Change form. The Nonscheduled Course form, available from the academic department, is to be completed and presented to the terminal operator at the time of the transaction and must bear the signature of the supervising faculty member and the department chairperson.

No Credit (Audit). Students registering for no credit (audit) must indicate 00 hours in the variable credit hours column of the Course Selection form. Tuition and fees are assessed for audit as well as credit registrations.

Senior Citizens (over 60). Senior citizens (over 60) may register for courses for no credit (audit) on a space-available basis without being assessed tuition and fees. Registration takes place in the classroom on a Special Registration form available in the appropriate Dean's office.

CoPIRG Fee. CoPIRG is the Colorado Public Interest Research Group, an action- and research-oriented organization established by the university students of Colorado. Student contributions of \$2 and student energy have enabled CoPIRG to provide free money-saving consumer help and to work toward the protection and betterment of our environment. CoPIRG sponsors campus activities including: Bike Day, Energy Conservation workshops, a consumer hotline, voter registration drive, and educational forums on issues of the 80's. For more information, contact CoPIRG at 351-4504.

Fees & Expenses

It must be understood that the individual student is responsible for the payment of charges he or she incurs. The University is not responsible for making payment arrangements with parents, guardians, the embassies of foreign governments, or other third parties.

All rates quoted in this document are approved by the Board of Trustees and established in accordance with the appropriation policy of the Colorado General Assembly. Consequently, these rates are subject to change by action of the Board of Trustees or in response to actions by agencies of the State.

The following rates apply to all students as of Summer Quarter, 1985

10-18	1499	1570

Surcharge per credit hour for credits above 18 hours (full-time student), \$96 for undergraduates; \$106 for graduate students.

General fees.

1. Student fees for in-state students only, enrolled in 1-5 credit hours are \$4 per credit hour. Student fees for in-state students enrolled in 6-9 credit hours, or out-of-state students enrolled in 9 or fewer credit hours are \$6 per credit hour. Student fees for in-state and out-of-state students enrolled in 10 or more credit hours are \$64 total.

General University fees, student fees and health service fees are committed to support essential student activities and programs, the Student Health Center, and the Student Representative Council. Every student must pay these fees each quarter, whether or not he or she makes use of the privileges and activities underwritten by the fee.

2. In-state students taking 1-5 credit hours are charged at reduced rates.

3. Out-of-state students enrolled in reduced rate workshops will be charged as described in the Special Savings Section. See courses marked with an * for savings.

4. Health insurance fees: \$69.50. Health insurance coverage is optional during the Summer Quarter only. Students not enrolled in the student health insurance program Spring Quarter 1985, do not have health insurance coverage for Summer Quarter, 1985. This insurance can be obtained only by requesting coverage at the Student Health Center during the first four weeks of the quarter.

5. Optional CoPIRG fee (\$2) may be waived in writing by the student at the time of registration.

Continuing Education Tuition. Tuition for courses offered through Continuing Education are assessed separately from on-campus tuition and fees on a schedule mandated by the Colorado Commission on Higher Education. Information on new changes are available from the Continuing Education office, Frasier Hall 11, phone 351-2944.

Incidental Fees. In addition to general tuition and fees, and room and board rates for students who choose to purchase those services, a number of incidental fees have been established by the Board of Trustees. These are identified in this section.

— Application fee, a non-refundable charge, pays for transcript evaluation for students enrolling in the graduate program, \$20 and undergraduate program, \$15.

— Music instruction fee provides individual music lessons for non-music majors, \$7.50 per quarter credit hour of instruction.

— Placement Center fee is used to develop and maintain supporting files for students and graduates seeking new employment opportunities. The placement year begins September 1 and ends August 31.

Initial enrollment, \$15.

Re-enrollment, \$25.

Alumni enrollment to provide periodic position listings by mail and to have up to ten (10) complete sets of credentials prepared and mailed annually, \$30 (additional credential sets above the maximum of ten, \$5 each).

Fee to mail copies of placement credentials without re-enrollment, \$2 per copy.

— Official academic transcript, \$2 per copy.

— Fee for each CATB testing session in which a PTE student participates, \$2.

— Fee for out-of-state PTE students for any testing or retesting of each of the three CATB competencies required for PTE, \$10 (\$30 for all three).

— Fee for students electing to demonstrate oral English skills (as a substitute for COMM 110), \$3.25.

— Fee for a one-hour remediation session in an area of required CATB proficiency, \$2.

— Special program fees for certain laboratory courses and for activities such as bowling, skiing, golf, and field trips, at cost approved by the Board of Trustees.

— Special tests provided by the UNC Counseling and Career Center, at cost in accordance with normal practice.

— Fee to publish the abstract of a doctoral dissertation, assessed at the time the dissertation is accepted, \$40.

— Fee to bind and mail (within the United States), four copies of a thesis, practicum, or dissertation study, \$28.

— Fee for the foreign language examination required for the doctoral program, \$10.

— Graduate student continuous registration fee to enable a student to remain in the program during periods of non-enrollment, \$20.

— Replacement of a student's University identification card, \$10.

— Fee for handling of a check presented in payment of a student account which, for any reason, turns out to be non-negotiable, \$10 (Note that non-negotiable payment is the same as non-payment and may result in cancellation of a student's enrollment).

Fee for Late Payment. In each of the four academic quarters in a calendar year, a date is established after which payment of outstanding tuition, fees, and other charges is considered late. This date is stated in the official University calendar which is included in the *Bulletin*, in the *Schedule of Classes*, and on the student's individual bill.

A student who has not paid his or her tuition, fees, and other charges within the allotted time is assessed a late fee in accordance with the following schedule. This fee is added to the outstanding balance.

Late Payment Fee Based on Past Due Balance

Amount Owed	Fee
\$25-\$99	\$ 5.00
100-199	7.50
200-299	10.00
300-399	12.50
400-499	15.00
500-599	17.50
600-699	20.00
700-799	22.50
800-899	25.00
900-and up	27.50

Fee for Deferral of Payment. Under certain circumstances, a student who qualifies may make arrangements with the Accounts Receivable Office (Carter Hall, Main Floor, phone 351-2201), to defer payment of a portion of the total expense for tuition, fees, and other charges. These arrangements must be made before the date on which late payment penalties are imposed. The student must pay 50 percent of the current charges with the balance due at mid-quarter. The account must be paid in full before the end of the academic quarter, or the student will not be allowed to attend class in the subsequent quarter.

The extension of this privilege requires the assessment of a one-time flat fee in accordance with the following schedule.

Deferral Fee Based on Amount Deferred	Amount Deferred	Fee
\$25-\$99	\$ 2.50	
100-299	5.00	
300-499	7.50	
500-and up	10.00	

Reassessments and Refunds. The following summarizes the policies and procedures by which reassessments and refunds are processed. If a more complete explanation is required or if individual refund circumstances warrant review, contact the Director of Accounting Services, Carter Hall 1002, phone 351-2237.

Adjustment in tuition, fees, and other charges are permitted after registration only under specified conditions. A change in a course of study which results in a change of registered hours during the period which ends on the last day for adding classes will result in a reassessment of tuition and fees. However, tuition and fees will not be adjusted after the last day for adding classes.

To be eligible for a refund upon withdrawal from the University, a student must present a properly processed and approved Withdrawal Clearance form to the Office of Accounts Receivable in Carter Hall, phone 351-2201. This form may be obtained from the Dean of Students Office (Room 206 in the University Center, phone 351-2796). Refunds are allowed against tuition and general student fees when a student withdraws from the University based upon the date the withdrawal process is completed.

A student enrolled for nine credit hours or less will be assessed a \$15 withdrawal fee if withdrawal occurs during the first 10% of the class; \$30 if withdrawal occurs during the first 11-20% of the class; \$45 if withdrawal occurs during the first 21-30% of the class; and \$60 if withdrawal occurs during the first 31-40% of the class. If the total tuition and fees are less than the withdrawal fee, the lesser amount will be charged.

On programs of ten or more credit hours, the student will be assessed a \$25 withdrawal fee if withdrawal occurs during the first 10% of the class; \$50 if withdrawal occurs during the first 11-20% of the class; \$75 if withdrawal occurs during the first 21-30% of the class; and \$100 if withdrawal occurs during the first 31-40% of the class. If the total tuition and fees are less than the withdrawal fee, the lesser amount will be charged.

If a student withdraws after the first 40% of the class, then he or she is required to pay the full tuition and general student fees as summarized in the beginning of this section. No refunds are granted after the second meeting of the class for one-week classes or workshops.

Refunds are allowed against assessed room and board charges, apartment rentals, and the housing deposit. Refund rates, policies, and procedures are explained in the residence hall lease and the meal plan contract. The Housing Office (Gordon Hall, 351-2727) and Food Services (Gordon Hall, 351-2725) will provide assistance and information upon request.

The following fees are not refunded for any cause at any time:

- Bookstore charges
- Duplicate meal ticket
- Health insurance
- Housing damages
- ID card replacement
- Lab equipment not returned
- Library fines
- Lost athletic equipment
- Lost library books
- Parking fines
- Short check service charges
- Unpaid emergency loan

Full day (up to 8 hours, includes lunch)	\$8.00
Beyond 8 hours (includes lunch)	\$10.00

Parents must be enrolled in summer courses to be eligible for child care. For complete information and application for the waiting list, contact Campus Child Care Center, UNC, Greeley, CO 80639, phone (303) 351-2071.

Notice. The Registrar's Office hereby gives notice that it has designated the following information as directory information under 348 (a) (5) (B) of the Family Education Rights and Privacy Act of 1974. Directory information concerning students at the University will be released during the current school year without the prior consent of the student as permitted by law unless within ten (10) days after registration a student has notified the Registrar's Office, located in Carter Hall 3002, that such information should not be released without his or her consent. This notification must be made each year during which the student is registered. Directory information at the University of Northern Colorado is as follows: (a) name, address, and phone listing; (b) date and place of birth; (c) major field of study; (d) participation in officially recognized activities and sports; (e) weight and height of members of athletic teams; (f) dates of attendance; (g) full- or part-time enrollment status (contact Registrar's Office for definition used for certifying enrollment to outside agencies); (h) degrees and awards received; and (i) most recent previous educational agency or institution attended.

Cost Savings Awards for Graduate Excellence

Contingent upon availability of funds, a number of scholarships for exceptional applicants to UNC's graduate summer program are available. Awards will help fund tuition and fees for the Summer, 1985.

To be eligible for the Awards for Graduate Excellence, applicants must:

— be nominated by their employer or by a professional in their graduate field of study.

— demonstrate academic background and professional achievement commensurate with high potential for graduate scholarship.

— have not previously enrolled as full-time graduate students at the University of Northern Colorado.

For more information and application materials, write the Graduate School, Carter Hall 2007, Greeley, Colorado 80639. The deadline for the completed application is April 1, 1985.

Financial Aid

For information about financial aids, contact the Financial Aids Office, Carter Hall, UNC, Greeley, Colorado 80639, phone (303) 351-2502.

Special Savings Out-of-State Students

The University offers 50 special workshops at a reduced rate for out-of-state students. A charge of \$44 per credit hour, which includes tuition and fees, will be assessed for these reduced rate workshops.

Full-time students (10-18 credit hours) who enroll in a combination of reduced rate workshops and other courses, will be charged first for the number of hours in reduced rate workshops at \$44 per credit hour; then for additional hours in other courses at the out-of-state rate. The maximum assessment of tuition and fees will be for 10 credit hours—a full-time load. Reduced rate workshop credit hours will count toward fulfillment of full-time load for tuition purposes. Adjustments to billings will be made at the time the student pays tuition and fees.

For example, a graduate non-resident student enrolled in one 3-credit hour reduced rate workshop and 10 credit hours of other courses/workshops would experience the following savings:

Regular Rates

Enrolled for a total of 13 credit hours of full time	\$1570
Total regular rates	\$1570

Reduced Rates

Enrolled for a total of 3 credit hours in a reduced rate workshop (3 x \$44)	\$132
Enrolled for an additional 10 credit hours in other courses with non-resident graduate tuition assessed on only 7 credit hours (7 x \$157)	\$1099
Total Reduced Rate Cost	\$1231
Net Savings	\$339

Part-Time In-State Students

Reduced tuition/fee rates are offered to part-time in-state students taking 1-5 credit hours. In-state students who are within this course load limit will be charged the following rates:

Credit Hours	Undergraduate	Graduate
1	\$18	\$19
2	36	38
3	54	57
4	72	76
5	90	95

Resident and Non-Resident Classification

Students who are residents of Colorado are permitted to enroll in the University at a significantly lower tuition rate. This is because the University is primarily supported by the taxpayers of Colorado rather than by student tuition and fees. The determination of a student's residency status is provided for under State Law Title 23, Article 7, Colorado Revised Statutes 1973 as amended. A person who has been domiciled in Colorado for one year or more immediately preceding registration is eligible for in-state tuition classification. A domicile is a "person's true, fixed and permanent home and place of habitation. It is the place where he intends to remain and to where he expects to return when he leaves, without intending to establish a new domicile elsewhere." It differs from the notion of residence or mere physical presence within the state. A person may have several places of residence, but may have only one true domicile at a given time.

A person is capable of establishing a Colorado domicile only if the person is 21 years of age or if the person has been emancipated. Evidence of emancipation includes the person's ability "to meet all financial obligations, including the cost of education," along with "an affidavit from the parents stating their relinquishment of any claim or right to the care, custody and earnings of the minor."

Evidence that a Colorado domicile has been established includes the observance of all mandatory duties imposed on domiciliaries. State requirements concerning auto registration, driver's license and payment of state income tax must be met.

A student's residency status is determined before or at the time of registration. If, at a later date, the student thinks that the residency status is no longer correct, he or she may petition for a change in residency status. Petitions must be submitted to the Registrar's Office no later than 10 class days after the last day to make payment of account for the given school term for which the student desires a change in classification. Any student who is denied residency after petitioning may appeal that decision in writing to the Residency Appeals Committee. The appeal must be submitted to the Registrar's Office no later than two weeks after the negative decision has been sent to the student. The decision rendered by the Residency Appeals Committee is the final University determination.

Petitioning for residency requires the student to complete a detailed form which is available in the Registrar's Office (Carter Hall 3002, phone 351-2231). This form and other relevant information is reviewed and a decision rendered in accordance with the state law and authorized procedures.

Out-of-state students earning graduate credit this summer can sign up for any of the courses marked with a ● to save money. Cost of these courses to all students is \$39 per credit hour (tuition and fees). To figure tuition and fees, see page 16.

Please note that some courses have more than one section. Only those marked by an ● apply to the reduced tuition rate.

BIO 508-011 WORKSHOP: MICROBIOLOGY-BASICS FOR TEACHERS (2) June 21-23, F 7-10, Sat 8-12, 1-4:30, 7-9; Sun 9-12:30. Microorganisms are a basic part of our ecosystem, yet many people are not familiar with their role in the environment nor the basic techniques needed to study them. Course begins with an introduction to basic microbiological techniques and ends with a discussion of some complex interactions that occur in microbial populations. Participants will help isolate, identify, and maintain bacterial and fungal cultures which they can bring back to their classrooms. They will develop observational skills, which they can teach to their students. The Workshop is supported by the American Society for Microbiology. J. Gapter, M. Heimbrook, Ross 234. **1137**

BIO 508-027 WORKSHOP ON MONTANE ECOLOGY (5) July 8-26, M-Th, 1:40-5:25, F 8:20-5:25 pm. Investigation of montane, sub-alpine and alpine ecosystems combining lectures with long and short field trips. Topics: plant communities, associated fauna, relevant physical factors, temporal dynamics, sampling techniques. Requirements include laboratory exercises and research paper based on field or library work. Required two-day field trip July 19-20. Field trip fee required. C. Olmsted, Ross 214. **1138**

SCI 508-007 SEARCH FOR SOLUTIONS (3) July 8-19, M-F, 1:40-4:30. Based on the film series, *Search for Solutions*, the workshop will cover science topics and issues such as (a) ethical and moral questions raised by technology, (b) research relating to the philosophy of science, and (c) the lives of great scientists. This course is designed to help teachers enhance science instruction at all levels from elementary school through college. Some field trips with fee required. K. Olson, Ross 358. **1136**

Chemistry

CHEM 104-002 PRINCIPLES OF CHEMISTRY I (5) June 18-July 12, MTWF, 8:20-9:25, 12:20-1:25. Required in all science majors and nearly all preprofessional programs (premedical, pre dental, preveterinary, preengineering, etc.). Completion of CHEM 104 and CHEM 105 in the summer will allow students to start the organic sequence in the Fall. Lab Required. D. Woerner, Ross 111. **1144**

CHEM 104-107 PRINCIPLES OF CHEMISTRY I (0) June 18-July 11, TTh, 1:40-5:25. Required for CHEM 104-002. D. Woerner, Ross 121. **1145**

CHEM 105-002 PRINCIPLES OF CHEMISTRY II (5) July 15-August 9, MTWF, 8:20-9:25, 12:20-1:25. A continuation of CHEM 104. Required in all science majors and nearly all preprofessional programs (premedical, pre dental, preveterinary, preengineering, etc.). Completion of CHEM 104 and CHEM 105 in the summer will allow students to start the organic sequence in the Fall. Prerequisite: CHEM 104. Lab Required. D. Woerner, Ross 111. **1146**

CHEM 105-107 PRINCIPLES OF CHEMISTRY II (0) July 17-August 8, TTh, 1:40-5:25. Required for CHEM 105-002. D. Woerner, Ross 121. **1147**

● SCI 508-070 CHEMISTRY AND THE ENVIRONMENT (3) June 18-July 12, Arr. Effects of chemicals introduced into the environment. Some group laboratory work on environmental monitoring. Suitable for science teachers. Prerequisite: CHEM 130 or CHEM 332. **1150**

College Student Personnel Administration

● CSPA 508-003 STUDENT ACTIVITY PROGRAM MANAGEMENT: DIVERSITY WITH DIMINISHING RESOURCES (1) June 27-29, Th 9-5, F 8-5, S 9-2. Declining enrollments, inflated dollars, and greater student body diversity will require better management of student activity programs in the late 1980s. Management strategies for community, urban, and residential campus student activity programs. G. Tanner and G. Haffner, University Center 248. **1233**

Communication Disorders

● CMDS 508-036 LEFT BRAIN/RIGHT BRAIN: THEIR ROLES IN LANGUAGE AND LEARNING (1) July 11-12, Th 12:20-4:20, F 8:20-3:20. Basic neurophysiology relative to speech, language and learning. Review of current research concerning left-brain/right brain. D. Bottenberg, McKee 146. **1781**

CMDS 508-046 ASSESSMENT DATA AND THEIR USE IN THE TREATMENT OF ADOLESCENTS AND ADULTS WHO STUTTER (1) July 18-19, Th 12:20-4:20, F 8:20-3:20. Strategies for evaluating data from selected stuttering tests/inventories to answer specific questions about the nature and treatment of stuttering in adolescents and adults. F. Griffith, McKee 146. **1782**

CMDS 508-056 WHAT IS AN ARTICULATION DISORDER (1) July 25-26, Th 12:20-4:20, F 9-4. Review of current research dealing with articulation and phonological disorders with an emphasis on diagnosis and remediation. *Special Guest Lecturer:*

Dr. Leija McReynolds, University of Kansas Medical Center, is an internationally recognized author and researcher in the assessment and treatment of articulatory and phonological disorders. McKee 146. **1783**

● CMDS 598-502 LEGAL ASPECTS OF HEALTH PROFESSIONS (3) June 10-14, M-F, 8:20-11:20, 12:20-3:20. Legal and ethical issues involved in the management and delivery of health care services. Emphasis on law as it pertains to negligence, contracts for service, consents, confidentiality, privileges, labor relations and current legal-ethical issues. Prerequisites: Some background in health-related professions (seniors, graduate, post-graduate). R. Kaley, McKee 137. **1796**

Early Childhood Education

EDEC 231-002 DEVELOPMENT OF INFANT AND TODDLER (4) June 18-July 11, TTh 8:20-12:05. (3 lecture, 2 lab) Prerequisite: EDEC 136. Growth patterns from conception through infancy and the third year. Includes prenatal and postnatal factors influencing early development, guidance and care provision, and adults' responsibilities for providing favorable environment. Observe infants and toddlers. P. Wishon, McKee 228. **1281**

EDEC 233-005 CHILDREN WITHIN THE FAMILY (3) July 15-August 9, MWF, 11 - 1:25. Role behavior, personality, self-identity and stability. Discover how interaction focuses a child's defenses against change in family crises. P. Wishon, McKee 229. **1282**

● EDEC 308/508-502 THE YOUNG CHILD AND THE NEW TECHNOLOGY: KEEPING UP WITH THE TIMES (1) June 10-14, M-F, 8:20-4:05. Emerging needs of young children and their families in a rapidly changing technological society. Major emphasis on the stresses upon young children as a result of these uncertainties. Strategies for enriching lives of children and their families. Featured speakers and resource persons. Course fee of \$25 (in addition to tuition) due at the first meeting. S/U final grades. For information about specific course topics and a precourse reading list, contact instructor, Division of Educational Studies. M. Oreskovich, McKee L 150. **1286/1289**

EDEC 333-002 DEVELOPMENT AND GUIDANCE OF YOUNG CHILDREN (4) July 15-August 9, MWF 8:20-10:45. (3 lecture, 2 lab) Prerequisite: EDEC 231. Approach the physical, intellectual, social and emotional growth of young children from developmental point of view. Theory, observation, and appropriate guidance as approaches to primary child study. M Oreskovich, McKee 229. **1289**

EDEC 533-003 CHILD DEVELOPMENT (3) June 19-July 12, MWF 9:40-12:05. Historical and contemporary theories in child development. Examine, analyze and integrate developmental sequences (physical, social, emotional and cognitive) from birth through age 8. P. Wishon, McKee 333. **1299**

EDEC 539-002 ISSUES IN PARENT EDUCATION (3) June 18-July 11, TTh 8:20 - 12:05. Current problems facing parents and suggested solutions based on critical reading and discussion. Emphasizes comparative techniques in child rearing. M. Oreskovich, McKee 229. **1301**

EDEC 648-002 PSYCHOLINGUISTICS (3) July 15-August 9, MWF 8:20-10:45. Language development of young children, including oral and written language, vocabulary development and listening skills. D. Burron, McKee 228. **1317**

EDEC 660-007 CRITICAL ISSUES: NURSERY AND KINDERGARTEN EDUCATION (3) June 19-July 12, MWF 1:40-4:05. Trends and issues concerning the kindergarten child, stressing curriculum and sound kindergarten educational policies. P. Wishon, McKee 228. **1325**

Earth Sciences

ESCI 484/584-002 MOUNTAIN METEOROLOGY (3) July 22-26, M-F 8-5. Field course for public school teachers and weather enthusiasts offers basic understanding of some of the interesting weather phenomena that occur along the Front Range and in the mountains of northern Colorado. Clouds, their development and significance; temperature variations on space and time; winds and air drainage. After one day on campus, course will be based at a mountain field station near Estes Park for observations and field projects. Participants must provide sleeping bags and other basic camping equipment. Estimated cost for food, lodging and transportation at field station is \$90. Advance reservation required. For more information and an application form, contact instructor at 351-2647. G. Cobb, Ross 329. **1154/1157**

● MET 500-002 SURVEY OF METEOROLOGY (5) June 18-July 12, MTWF, 8:20-10:45. Principles of atmospheric science, with a limited mathematical approach. Considers the weather elements of radiation, pressure, temperature, humidity, wind, clouds, and precipitation, and the earth-atmosphere energy budget, development of storms, weather instruments and charts, forecasts and their use. One day per week the extended labs will be for weather analysis, instrument use, outdoor observations and a field trip. Laboratory meets Th 8:20-4:05. G. Cobb, Ross 329. **1155** and lab **1156**

Educational Administration

EDAD 508-502 DATA PROCESSING FOR ADMINISTRATORS (3) June 10-14, M-F 8:20-12:05, 1:40-4:05. Orientation to data processing and computer use. Emphasis on hardware, software, applications, and BASIC language programming. Course graded as S/U. E. Ritter, McKee 426-428. **1253**

● EDAD 508-002 DATA PROCESSING FOR ADMINISTRATORS (3) June 18-July 11, TTh 8:20-12:05. See description above. Candelaria 78.. **1252**

Geography

GEOG 392/592-070 STUDY TOUR OF "UNDISCOVERED" IRELAND (10) June 24-July 16 M-F, Arranged hours. (On-cam-

pus study June 24-28). A unique "Adventure in Learning." Participants will "get out into the countryside" and explore that part of the Emerald Isle which is truly undiscovered, unspoiled and spectacularly beautiful. Western Ireland's rugged landscapes and dramatic seascapes, combined with the traditional culture, make it the most fascinating part of Europe. By sea, boat, horse-cart and foot participants will cover the mountains, boglands, islands, and small villages. Experiences will include traveling to the legendary Aran Islands, lakes and valleys of Killarney, rugged mountains and glens of Connemara, beaches and cliffs of Achill Island, the famed seaside area ("Ring of Kerry") isolated and mysterious Dingle Peninsula, and exploring 500-foot high sea-cliffs, being guests at a banquet dinner in a old Irish castle, socializing in old country pubs, and roaming the heather-covered boglands. This course has been planned from much personal experience to include the unusual "little-discovered" physical and cultural wonders of Ireland. It is specially structured to the needs of students and teachers. Enrollment will be limited to about 25 persons. K. Kearns.. **1094/1100**

PHIL 198-011 PHILOSOPHY AND CURRENT AFFAIRS (2) July 5-6 & 19-20, F 6-10 & S 10-4. "Creation vs. Evolution" - A critical examination of a variety of moral, social and scientific questions on the subject. On what grounds should decisions be made concerning what is to be taught in the public schools (e.g. truth, evidence, or morality)? If Creation should be taught in the public schools, how should it be taught (e.g. as cultural history, anthropology, cosmology)? Should belief be based only on evidence or is faith an adequate or superior ground for belief? What, if any, are the virtues of scientific explanation? Are Creation and Evolution really competing hypo-

theses on the same level, or are they two different things? J. Temkin, Michener L108. **1063**

Mail to: Registration Center, University Center 247, University of Northern Colorado, Greeley, Colorado 80639. Mail-In Course Selection forms **received after May 24 will be returned to the student**. See instructions for details on in-person registration steps. Phone-in course selections are not accepted.

2. You must complete and submit form #1 along with form #2 if you are a new student not admitted through Undergraduate Admissions or the Graduate School or if you have not attended an on-campus course at UNC in the past 12 months.

3. Enter the prefix, number, section, and four-digit course identification number of each course you wish to take under the first choice column. You should add an alternate choice in case your first one is already closed. You will find the course identification number with each course entry in the Schedule of Classes. Enter the desired number of credit hours *only* if the course is offered for variable credit, or if you wish to enroll for no credit. Sign and date the bottom of the selection form.

4. Schedule changes can be made in person at the Registration Center. See the instructions under "Making Schedule Changes and Corrections."

5. If you do not wish to pay the \$2 CoPIRG fee, check the appropriate box on the course selection form.

"CoPIRG is the Colorado Public Interest Research Group, an action and research-oriented organization established by the university students of Colorado. Student contributions of \$2 and student energy have enabled CoPIRG to provide free money-saving consumer help and to work toward the protection and betterment of our environment."

6. You will receive by mail a printed copy of your registration schedule after May 24, showing what you have selected. Payment *must be made by June 24* or your registration will not be considered final, and class space will be released to other students.

7. See the detailed information under "Obtaining Photo ID, Library Cards."

Parking Services is responsible for the enforcement of campus parking regulations. Permit sales, fine payments, and hearings are handled through this office located at Gray Hall. Phone (303) 351-2131.

All lots required a properly displayed permit. Permits are valid for specific zones and are valid in those zones only. Permits go on sales for the summer May 1, 1985.

All vehicles, including motorcycles and mopeds, that use UNC campus parking lots require a \$6 Summer parking permit.

To obtain your permit before you arrive, return the following materials to our office on or before June 3, 1985, and we will mail your permit: a) Completed form, b) Copy of current vehicle registration, and c) Check or money order for \$6. Return to UNC Parking Services, Greeley, Colorado 80639. After June 3, 1985, you must come into our office to purchase your parking permit.
