About the Cover:

Exciting things are happening on the Colorado State College West Campus. New buildings are shooting up almost overnight in a concentrated campaign to increase College facilities for the anticipated 1970 student body of 10,000.

to increase College facilities for the anticipated 1970 student body of 10,000. Since last summer two more structures have gone under construction, bringing the total number of West Campus buildings to seven. Pictured above is the proposed \$2,850,000 Education Building. Scheduled to open fall quarter, 1968, the Education Building will feature a multi-purpose lecture complex and convertible classroom areas. Below is pictured the proposed \$3,274,000 residence hall, the third to be constructed on the West Campus. The thirteen-story structure will combine the concepts of high-rise construction and coeducational living. Men and women, residing on different floors, will share four-room suites designed to accommodate four students comfortably. The residence hall is expected to be ready for use by fall quarter, 1967. Both of the new buildings will follow the architectural precedent set by the other West Campus facilities.

Inspired by the unique design of the West Campus College Center, Bob Waters, official CSC photographer, created the spectacular color photograph on the cover. The result of painstaking planning, this picture was exposed at night during a two-hour period. Using 4 x 5Ektachrome film, Waters employed the help of two assistants to flash light on the building as well as set off more than 100 colored flash bulbs. The headlights of passing cars and a ten-second exposure of the Center's interior lights further emphasized the ethereal quality of the picture.

It takes only one summer at Colorado State College to see why CSC is a favorite among summer school students and their families. Offering the unique advantage of study with relaxation and vacation, the College maintains a complete academic and extra-curricular program on campus, while community activities and the proximity of the Rocky Mountains provide off-campus recreational diversions.

Visitors to CSC will enjoy the abundance of fresh and progressive educational ideas. Colorado State College encompasses more than 85 buildings on four campuses, with some 20 academic and residence structures in the planning or construction stages. Its enrollment figures average 5,400 summer quarter students, and 7,500 for the regular academic year. The administration and faculty, considered among the most qualified in the nation, average 317 fulltime equivalent instructors.

With teacher education still a primary purpose, CSC has also developed progressive programs in the arts and sciences, and in the applied and professional fields in order to meet current educational demands. The College is accredited in seven degree programs, ranging from the bachelor to the doctorate degrees and including a four-year degree program in nursing.

Academically, the entire family may profit from a summer at CSC. Adults will be able to select from the more than 800 courses, workshops and seminars to be offered at the graduate and undergraduate levels. Their instructors will include nationally known guests as well as members of CSC's outstanding regular faculty, and many course formats will include informal discussions, allowing more fully for the cross-communication of ideas.

Provisions may be made for the summer education of the youngsters. On campus, morning classes are scheduled in the Laboratory School (Kindergarten, grades one through six), and in the Special Education School. Although no classes will be conducted in the secondary school on the campus, summer sessions are planned for grades two through twelve in Greeley School District No. 6. Further information concerning these programs may be obtained from Director, Laboratory School, CSC; or Director, Special Education School, CSC 80631. program will be furnished by Assistant Principal, Greeley Central High School, Greeley, Colorado 80631. Information on the Nursery School conducted by the College may be obtained from the Home Economics Department, CSC 80631.

Among the more prominent facilities at CSC is the library in Carter Hall, which features airconditioned stacks and forced air cooling throughout for summer comfort. Maintaining more than 222,500 volumes, microfilms and periodicals, the library also offers several copying services.

The Instructional Materials Center, now located in Cranford Hall, has more than 1,960 films, 950 filmstrips, and several hundred recordings, while the Bureau of Research Services, also in Cranford, offers consultative services to doctoral students in their degree work.

Special study and meeting rooms, student activities offices, and other eating and recreation facilities are outstanding features of the College Center on West Campus. Bru Inn, situated in the west end of Gunter Annex on Central Campus, offers automated snack bar facilities, while the Graduate Center includes snack bar, lounges and study/typing rooms for graduate student use.

From Around The Nation

Well-known personalities from around the nation will visit the Colorado State College campus this summer to take part in a number of special assemblies and workshops. Headlining the list of scheduled events will be the annual Monday Night Assembly Series with five featured guests, each a recognized authority in his field.

RACE RELATIONS Monday, June 19, 1967

The Honorable Carl T. Rowan, a syndicated columnist and former Director of the U.S. Information Agency, will open the four-week Monday night lecture series. Speaking on "New Frontiers in Race Relations," Mr. Rowan will discuss such movements as sit-ins, wade-ins, kneel-ins and voting rights bills.

Mr. Rowan served as Deputy Assistant to the Secretary of State for Public Affairs and as Ambassador to Finland under the late President John Kennedy. In 1964, President Lyndon Johnson appointed him Director of the United States Information Agency. A syndicated columnist since 1965, Mr. Rowan is author of four books: **Go South to Sorrow, Wait Till Next Year, South of Freedom** and **The Pitiful and The Proud**.

Tiered lecture halls are a highlight of Ross Hall of Science on the West Campus.

POLITICS

Considered one of the best storytellers in the Capitol, and a humorist in the vein of Will Rogers, **The Honorable Brooks Hays** will lecture on "Peaks and Pitfalls of Politics" in the second

June 26, 1967

of four summer assemblies. Mr. Hays was born near Russelville, Arkansas in 1898 and has since maintained close ties with his home state. He received the A.B. degree from the University of Arkansas and was awarded the LL.B. degree from George Washington University Law School. He has been the recipient of 11 honorary degrees of Doctor of Law, as well as the honorary degrees of Doctor of Humanities and Doctor of Divinity.

Having made a career of politics, Mr. Hays served as Congressman for the State of Arkansas for 8 terms (1942-1958), and still maintains a permanent office in the White House. In addition to serving on the Committee of Foreign Affairs since 1951, and on the Committee on Banking and Currency for eight years, Mr. Hays has served in the capacity of consultant to three U.S. Presidents.

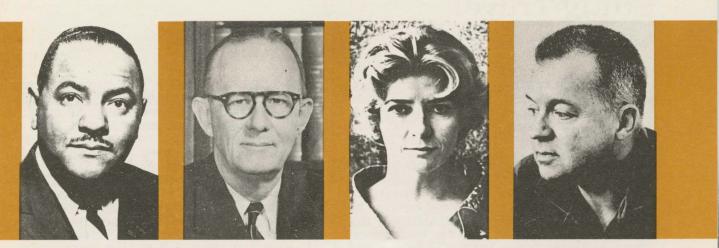

LITERATURE

Monday, July 17, 1967

"Contemporary Poets in a Changing Landscape" will be discussed by **Miss Carolyn Kizer**, founder and editor of the "Poetry Northwest" magazine and a noted American poet. In her lecture, Miss Kizer will discuss the styles and meanings of contemporary poetry, and will include the works of various modern poets as illustration.

Miss Kizer, who has been publishing poetry since she was 17, was appointed the first director of the literary program for the National Council on the Arts in Washington in early 1966. She has traveled in England and throughout the United States discussing poets and poetry at various universities and symposiums. During 1964-65, she was a poet-in-residence in Pakistan, where she lectured at universities and studied the contemporary Urdu and Bengali poetry.

MUSIC AND DANCE Monday, July 24, 1967 Mr. Walter Terry and Mr. James Clouser will conclude the Monday night programs with a lecture demonstration on music. Mr. Terry is a dance critic with the "New York Herald Tribune" and a consultant to the State Department on the Cultural Exchange Programs. A ballet master with the Royal Winnipeg Ballet of Manitoba Province, Canada, Mr. Clouser is noted as a choreographer, composer and concert pianist as well as a speaker on dance.

MATHEMATICS

July 31-August 11

Miss Lola J. May, Mathematics Consultant for the Winnetka, Wisconsin Public Schools, will appear on the CSC campus to conduct the Elementary Mathematics Workshop (MATH 278; see Schedule of Classes).

A nationally known figure in the realm of Mathematics, Miss May received her B.S. degree from the University of Wisconsin, the M.A. degree from Northwestern University and was awarded the Ph.D. in 1964 at Northwestern. She has taught at all school levels including colleges, and is in great demand as a workshop speaker.

and is in great demand as a workshop speaker. Miss May is the author of the book, **Modern Concepts of Elementary Modern Math**, and has authored or co-authored articles in the "Chicago Tribune" and "Grade Teacher Magazine." She last appeared at CSC as a participant in the Greeley Meeting of National Council of Teachers of Mathematics in April, 1966.

PHYSICAL EDUCATION and SPECIAL EDUCATION

July 17-28

Traveling to CSC for the purpose of conducting a workshop in Physical Education for the Mentally Retarded (HPER 200; see Schedule of Classes) will be **Dr. Julian U. Stein** and **Mr. Ernie Davis.**

Dr. Stein is presently Director of the Project on Recreation and Fitness of the American Association for Health, Physical Education and Recreation (AAHPER). Having served as Assistant Professor of Physical Education at the University of Rhode Island, Dr. Stein has spent a number of years in the development of physical education programs for the mentally retarded.

Mr. Davis is presently Physical Education Specialist for Crowley Special School in the St. Paul, Minnesota public school system. A leading practitioner in teaching physical education to the mentally retarded, Mr. Davis is also a member of the AAHPER Task Force on Programs for the Mentally Retarded.

PROFESSIONAL NEGOTIATIONS IN PUBLIC EDUCATION

IN PUBLIC EDUCATION June 12-16 One of three colleges in the United States selected to conduct an Institute on Professional Negotiations in Public Education, CSC will play host to a number of the country's leading educators, legislators and business personalities.

The non-credit institute, to be jointly sponsored by Alpha Mu Chapter, Phi Delta Kappa, CSC, and National Office, Phi Delta Kappa, Bloomington, Indiana, will require a registration fee of \$125. This fee will include all lectures, one social hour and buffet dinner, one luncheon, a textbook and other resource materials. Although participation will be generally limited to registered persons, some general sessions will be open to CSC summer students at a charge of \$2.00 per lecture.

The curriculum will deal intensively with the existing situation, imminent changes, and longrange developments in the area of collective negotiations in public education. Participants will have an opportunity to analyze existing collective agreements, organizational policies, state legislation and other basic policies with the educational, administrative, organizational and legislalative leaders responsible for developing and/or implementing them.

Visiting speakers will include Dr. Myron Lieberman, Director of Educational Research and Development, Rhode Island College; Dr. Michael H. Moskow, Assistant Professor of Management, Drexel Institute of Technology; Dr. William Ellena, Associate Executive Secretary, American Association of School Administrators; Herrick Roth, Director of Colorado, AFL-CIO; and Kenneth Jonson, Regional Director, National Education Association.

Co-Directors of the conference are Dr. Stanley Elam, Phi Delta Kappa publications, and Dr. Bruce Broderius of Colorado State College. For further information, please write to Dr. Broderius.

Little Theatre of the Rockies

Six outstanding dramatic presentations will be offered this year by the Little Theatre of the Rockies, one of the first college summer theatres in the West. Each of the 1967 dramatic productions will be staged two nights, Thursday and Friday, at 8:00 p.m. Season tickets for the six productions may be purchased after June 1, 1967.

Study-Travel Courses

The dual opportunities of study and travel are again available to CSC summer students this year. Three study-travel plans with destinations in Europe and Russia; Washington, D.C. and New York City; and Greece are being offered for academic credit.

SS 221 Cultural Background of Western-Soviet Russian Relations June 14-August 15 (Fifteen hours credit in social sciences)

Offered in cooperation with the Institute of European Studies, a non-profit organization, this course offers the opportunity for international education by comparing political, economic and social life of the West with that of the Soviet Union. A survey of fine art in Western and Eastern Europe will be included.

Students first attend 31 days of on-campus study in the history of Western-Soviet Russian relations and art under Professors Arnold and Ellinger.

Upon completion of on-campus study, the class will embark on a 28-day tour of Europe via jet from Denver. Cities included in the tour are London, Amsterdam, Brussels, Paris, Berlin, Warsaw, Moscow, Leningrad and Helsinki. Professors of universities and officials of international agencies throughout Europe and the Soviet Union will lecture to students. A European tour conductor of the Institute of European Studies will accompany the tour throughout Europe.

The credit may be applied toward a formal degree program on either the graduate or undergraduate level with prior approval of the academic adviser.

Tour cost of \$1,225 from Greeley to Greeley includes air transportation, hotels, meals and other necessary expenses. Travel to and from Europe will be by jet group flight rate. Included is air transportation to eight cities during the tour. Cost is based on current rates and is subject to change until April 1, 1967. Tuition and living expenses on campus are additional.

A major point of interest to students enrolled in the European-Soviet Russian study-tour this year will be The Kremlin. —Photo courtesy of Novosti Press Agency

Dr. Dean A. Arnold is tour director. Please contact Dr. Arnold or the Dean of the Graduate Division for additional information. All applications must be submitted no later than April 1, 1967.

HUM 220 Greek Culture June 14-August 15 (Fifteen hours credit in the humanities)

This course offers an intensive study of Greek culture with 30 days in Greece following a fiveweek study period on campus. The campus study will involve a reading of Greek literature, history, philosophy, art and mythology. Professors Cross, Harrison and others will conduct these studies.

On July 17, the group will fly by jet aircraft to Athens. Here the group will reside in comfortable living quarters while attending lectures and visiting important sites in Greece. A careful study will be made of the buildings on the Acropolis and the Agora. A three-day trip will be made to the Oracle of Apollo at Delphi; a six-day tour will be arranged to visit Agamemnon's palace at Mycenae, Corinth, and Olympia; and a three-day trip will be made to the island of Crete to visit the remains of the great Cretan culture in the Palaces Knossos, Phaestos, and Mallia. In all these places directors of museums and other experts will guide the group through lectures and tours. The group will return to Denver on August 15. Dr. Neal Cross will conduct the group.

Anticipated expenses of this study-tour will be approximately \$1,225 plus tuition and room and board while on campus. All inquiries should be directed to Dr. Neal Cross, English Department, CSC. USH 272 Contemporary American

JSH 272 Contemporary American Foreign Policy June 3-13 (Three hours credit)

In Washington, D.C., members of the class will hear lectures at the State Department and observe the Foreign Relations Committees of both houses. Also scheduled are a trip to the National Archives where the class will examine major historical documents and an optional tour of the Arlington National Cemetery and Mount Vernon.

In New York, participants will tour the United Nations Building, be briefed on America's role in the world organization and attend U.N. meetings if any are in session.

Total cost of this course will be about \$245 plus tuition, to be paid as follows: \$25 in advance reservation deposit before May 1 and the remainder before May 15. Students will not need housing in Greeley because the class departs by train on registration day (June 3) and returns on June 13.

The course may be taken either as a single three-hour course or as three hours of a student's program for the summer quarter. For futher information, contact Dr. Stephen Powers, History Department, CSC.

Undergraduate Programs

Baccalaureate Degrees

The School of Arts and Sciences, the School of Education, and six academic divisions offer a total of 53 majors in three academic programs: Arts and Sciences, Teaching Professions (Teacher Education), and Applied and Professional Studies. Three undergraduate degrees are available: Bachelor of Arts, Bachelor of Science, and Bachelor of Music.

Thirty majors are offered in the Teaching Profession program by 34 academic departments. Admission to the Teaching Professions program does not guarantee teacher certification; prior to their junior year, students pursuing a teacher profession major must apply for admission in the Advanced Teacher Education Program. If admitted, the student enrolls in a block of advanced teacher education courses including basic concepts of education, educational psychology, student teaching and educational philosophy. Successful completion of the program will result in certification of the prospective teacher to teach in Colorado and many other states in the nation.

Colorado State College also serves as a regional institution in offering a strong program in the Arts and Sciences, Pre-Professional courses, and selected Applied and Professional Studies programs. Sixteen majors are offered in the Arts and Sciences program, while seven majors are available in the Applied and Professional Studies program. Course work is offered in the fields of pre-dentistry, pre-medicine, prelaw and pre-engineering. Undergraduate male students may also participate in the Aerospace Studies program which, if successfully completed, leads to a commission in the U.S. Air Force Reserves.

Summer Quarter Plan

The Summer Quarter plan allows the undergraduate student to attend college on a fourquarter basis. If this plan is followed from the freshman year, the student, through continuous study, may complete his undergraduate requirements for graduation in three years. If academic requirements are met, the student is then eligible to apply for a position and earn an extra year's salary or to work on a master's degree during the fourth year which is, normally devoted to undergraduate study.

Minor Programs

In addition to the programs listed above, the college offers a number of programs as minors (27 quarter hours). Most major programs are also offered as minor programs. The program in psychology is offered as a minor only. Please consult the general catalog for specific information.

Graduate Programs

Through the Graduate Division, Colorado State College offers four advanced degree programs leading to the Master of Arts (M.A.), Specialist in Education (Ed.S.), Doctor of Education (Ed.D.) and Doctor of Philosophy (Ph.D.).

Detailed information concerning advanced degrees may be obtained by consulting the 1966-67 General Catalog or by writing to the Dean of the Graduate Division, CSC 80631.

Master of Arts

The Master of Arts degree may be earned in three consecutive summer quarters of fulltime study. The master's degree is awarded upon completion of a minimum of 45 quarter hours of credit. Probationary students are required to complete a 60 quarter hour progam. Candidates must be on campus, enolled as fulltime students for two quarters (10 quarter hours per quarter), to satisfy the minimum residence requirement.

Specialist in Education

The Specialist in Education degree is a oneyear program beyond the master's degree, assuming that the area of specialization is compatible with the undergraduate and Master of Arts major. This program prepares one to be what the name implies — a specialist — and course work generally cuts across divisional and departmental lines. A student may wish to specialize in areas similar to the following topics: Supervision of Science Instruction, Consultant in School Buildings, Testing in the Elementary School or Guidance in the Elementary School. Programs in Counseling, Educational Administration, School Psychology and Vocational Rehabilitation Counseling are partially or fully prescribed in order to meet certification requirements.

Doctor of Education

A two-year program beyond the master's degree, the Doctor of Education degree requires course work and research of a professional nature. The student selects an area of concentration (major) and a supporting area (minor). All candidates are required to spend three consecutive quarters in residence in full-time study. A student must earn a minimum of 72 quarter hours of credit in his combined concentration and supporting areas and pass comprehensive examinations on these areas. In addition, he must write and defend an acceptable dissertation for which a maximum of 18 quarter hours of credit are granted.

The degree of Doctor of Education is offered in the following areas of concentration: Business Education; Educational Administration; Elementary Education; English; English Education; Health and Physical Education; Industrial Arts Education; Mathematics Education; Mathematics; Music Education; Psychology, Counseling and Guidance; Reading; Science Education (Botany, Chemistry, Physics, Zoology); Secondary Curriculum and Instruction; Secondary Curriculum and Instruction (in content area); Social Science; Special Education (Administration, Mental Retardation, Visually Handicapped, Vocational Rehabilitation).

Students may select any one of the above fields for their minor course of study or one of the following: Audio-Visual Education; Curriculum; Higher Education; History and Philosophy of Education.

Doctor of Philosophy

The Doctor of Philosophy degree is a threeyear program beyond the baccalaureate. Two specialized programs are available: (1) College Student Personnel Work to prepare candidates for college placement as deans of students and in other related areas; and (2) Educational Measurements and Research designed to prepare candidates for college teaching assignments and/or researchers for curricular areas.

After Hours

Alumni Picnic

On Sunday, June 18, the Alumni Association of CSC will sponsor its first annual Summer Picnic at Estes Park Municipal Park. Summer students, faculty and alumni from around the nation are invited to attend. Games and activities will be provided for the young people, allowing Mom and Dad to relax for the day. The Association will provide soft drinks and ice cream for everyone.

Intramural Sports

The Division of Health, Physical Education and Recreation maintains a spirited intramural sports program during the Summer Quarter. Open to CSC students, the possibilities include softball tournaments with teams usually derived of and named after various states, mixed golf tournaments and bowling leagues.

Concerts

Band concerts, featuring varied selections will be presented by the Music Division each Tuesday night in the Garden Theatre. Choral and orchestral concerts as well as student and faculty recitals are scheduled throughout the quarter and are also open to the public.

Book Reviews

For the 43rd consecutive year, members of the CSC faculty will present a series of 16 book reviews, ranging from biographies, to novels, to resource books. Review meetings convene at 4:00 p.m. Monday through Thursday for four weeks beginning July 10.

Family Fun Night

Perhaps the most popular all-around Summer Quarter activity is Family Fun Night, sponsored by the Division of Health, Physical Education and Recreation each Wednesday night.

Beginning at approximately 7:00 p.m., members of the CSC recreation courses supervise a variety of activities for all age groups. Included in the evenings' diversions are organized relays and circle games, supervised swimming, indoor sports (badminton, volleyball, etc.), square dancing for all ages on the tennis courts, and recent full-length movies.

Graduate Dames

A social organization for wives of graduate men, Graduate Dames meets at 1:30 p.m. every Wednesday afternoon beginning June 21. Meetings are held at the College Center for card playing, sewing, refreshments and conversation.

Exhibits

A variety of student art exhibits, educational film previews, and textbook exhibits have been scheduled for summer student enjoyment. An annual highlight is the International Salon of Photography, to be held this year on June 13.

Long's Peak, one of the highest peaks in the Rocky Mountain chain, is just an hour's drive from Greeley.

Greeley

Besides campus activities, students are urged to take full advantage of the complete community activities program in Greeley. Facilities include a Community Building, eight city parks, two golf courses, two museums, not to mention movie theaters and numerous restaurants for the pleasure of CSC students and their families.

Greeley is a city of approximately 35,000 people, located at the junction of U.S. Highways 34 and 85. Ideally situated, Greeley lies just fifty miles north of Denver, south of Cheyenne, Wyoming, and east of Estes Park, Gateway to the Rocky Mountain National Park.

Colorado

A popular weekend recreation for CSC summer students and their families are "Circle Trips," two-day automobile excursions from Greeley to various parts of Colorado and back. Ranging in distance from 100 to 250 miles, popular circle trips include ventures to Central City, the ghost mining town that vividly recalls the era of the Old West; the Cache la Poudre Canyon and Red Feather Lake area; Rocky Mountain National Park, featuring more than 84 named peaks at elevations of more than 11,000 feet and the breath-taking views from Trail Ridge Road; Red Rocks Theater; Denver, capital of the State of Colorado; Colorado Springs, the site of the Gar-den of the Gods and the Air Force Academy; the Royal Gorge; and Grand Lake. More ambitious circle trips may include Mesa Verde, with its rich Pueblo Indian history and relics, or portions of the Western Slope of the Rocky Mountains.

Admissions Policy

Students applying for admission to Colorado State College for Summer Quarter should complete and return the reply card bound into this bulletin. Students applying for the first time or for the first time since September, 1959, should complete and return the Statistical Information Form also bound into the bulletin. Additional information required as part of application for admission depends upon the status of the student as defined below. Inquiries concerning the graduate program or graduate admissions should be directed to the Dean of the Graduate Division. Undergraduates should contact the Director of Admissions for application forms. There are no admission or evaluation fees.

Graduate Students

The College requires that the Graduate Record Examination aptitude section (verbal and quantitative) scores accompany the doctoral application. If a student scores below the minimum acceptable score in the aptitude section he will be denied admission to the "formal" doctoral program. Students seeking a graduate degree from CSC may transfer eight quarter hours toward a master or specialist degree and 12 quarter hours toward either doctorate degree.

Transfer Students

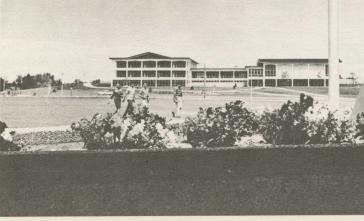

The college accepts a maximum of 135 quarter hours transfer credit on undergraduate programs. Only 90 hours of the transferred credit may be granted by junior colleges. All degreeseeking students must submit two transcripts of previous college work and a health report. Undergraduate students must also submit a transcript of high school studies and an official application for admission.

Freshmen

Students who are entering college for the first time should write to the Director of Admissions for information and application forms. To be eligible to apply for admission, in-state freshmen must graduate in the upper two-thirds of their class and out-of-state students in the upper half and meet other minimal admission standards as defined in the general college catalog.

Many students returning to CSC for additional studies have the opportunity to renew acquaintances with faculty members and students (above).

Located at the highest elevation in Greeley is the College Center (left) one of several new buildings now in use on the West Campus.

Housing Information

College housing is available in residence halls for single men and women and for married couples without children. All accommodations in the residence halls include room and board. The rooms are arranged to accommodate two persons per room. Married couples are housed in residence halls, providing either the husband or the wife is a student.

If the applicant desires to cancel his application in the residence halls or College houses for Summer Quarter accommodations and notifies the Director of Student Housing on or before May 1, \$40.00 will be refunded. Cancellations received from May 1 to June 1, \$25.00 will be refunded. Cancellations received after June 1, no refund of deposit. If a student moves into a residence hall, but withdraws before the end of the quarter, he is charged full room rent and is charged board for the days he was in residence, and forfeits the \$50.00 deposit. If all provisions of the contract have been complied with and no damage charges have been assessed, the \$50.00 deposit will be refunded at the end of the Summer Quarter.

The College has a limited amount of housing for married students with one or two children in a residence hall with resident cooking facilities. Many students find rooms, apartments and houses in Greeley. Room and apartment rental listings are available to any student who desires to call in person at the Housing Office. Arrangements for accommodations with private landlords cannot be made by the Housing Office by mail, but must be made by the student directly with the landlord. Students and landlords are both advised to have a clear understanding, preferably in writing, as to facilities, prices and intended length of tenancy.

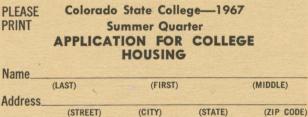

A limited number of College-owned sorority and fraternity houses are available for single women and married couples without children. Houses accommodating single women have two or more students per room and no food service. Houses for married couples without children provide a room for each couple with community lounge and cooking privileges, but no food service.

Tuition, Fees

Basic required tuition and fees paid by every student are collected for the number of rated credit hours of the courses for which a student registers. These are applicable to every enrollment: for partial or full study, for Colorado resident or non-resident status, and for credit or noncredit status.

All charges are due and payable at the time of regular registration or during registration for special classes. No registration is complete until the assessed charges are paid at the Accounting Office. Any registration permitted at a time other than that scheduled as defined by the regulations of this bulletin will carry a late registration fee. Please consult the incidental fees table below.

Fees for added services, individual instruction, special programs and courses carrying laboratory or field trip expenses will be assessed and paid at registration in like manner with basic tuition and fees. For programs leading to the Specialist in Education and Doctoral degrees, the General Catalog itemizes extra charges (including phasing fees) which are assessed to the student. No graduate program phasing fees will be altered or refunded if the student fails to pursue his intent or for any reason drops out of the program for which he has been accepted.

Certain tuition scholarships and waivers are issued to apply in the fall, winter and spring quarters, only; others, principally Joint Honor Scholarships and Colorado State College Awards, are now validated as well for use during the summer quarter. Only that portion of the credit hour charge represented by the tuition is waived.

Located on the lower level of the New College Center, the Bookstore offers a wide selection of school and personal supplies.

Holders of Student Teaching Reciprocity Waivers which are issued for fractional loads, are granted waivers for tuition plus student services fees for the credit hour value only of the STRW presented.

Determination of residence for tuition assessment purposes is made at registration in accordance with C.R.S. 1963, 124-18-1-5, a Colorado Statute governing residence status and applicable to all state institutions of higher education in Colorado.

The Trustees of the State Colleges, the governing body for Colorado State College, reserves the right to alter tuition, fees, rentals, and/or board and room charges on 30 days notice prior to the first day of registration for a summer quarter.*

Complete tuition and student services fee assessments are computed by multiplying the number of course credit hours by \$6.50 for residents and \$12.00 for non-residents.

*Under consideration by the Trustees at release date of this Bulletin is a change in the non-Colorado Resident Tuition from \$10.00 per credit hour to \$13.50 per credit hour in keeping with a policy designated by the appropriating authority of the State of Colorado. The exact amount of the change will be announced not later than May 1, 1967.

Incidental Fees

- is granted to take an examination at a time other than regularly scheduled 2.00
- Change of Program: Assessed for each separate change of program permitted 1.00

See the 1966-67 General Catalog for other fees which may be applicable in the terms of a particular registration.

Refunds Policy

To be eligible for a refund of any kind under college regulations, the student must present a copy of an approved formal withdrawal notice to the Business Office. Forms may be obtained from the Records Office. Partial refunds for full quarter classes are granted only for early withdrawals. No refund will be granted for special short-period classes after the first meeting of the class. Please consult the 1966-67 General Catalog for the specific refund policies of the College.

	2:00 - 3:00 p.m.	W
	3:00 - 4:00 p.m.	X-Y-Z

To insure proper registration, follow these steps:

- 1. Obtain registration materials in Carter Hall in accordance with the above alphabetical arrangement and dates.
- Fill in all registration cards accurately and as completely as possible before conferring with advisers and major professors. Secure the adviser's signature on the Registra-tion Form in Gunter Hall. Be sure all cards
- 3. are 100 per cent complete. 4. Go to the specific division tables to secure
- your correct class cards and laboratory cards (if applicable). Compare registration cards with these class cards to be absolutely sure
- correct class cards have been given to you. Enter the Women's Gym via the west archway from the Men's Gym. Stop at checking tables where "checkers" will check every card for
- where checkers will check every card for possible errors. Veterans who must complete Veterans Admin-istration forms must report to the Financial Aid Office in Frasier 105. Leave the Women's Gym via the west door and proceed to Frasier Hall for payment of fees. 6.

Students who complete registration after June 13 will be assessed a late registration fee as described on page 11 of the Summer Bulletin. No registration for 10-week classes will be permitted after 4 p.m. Friday, June 16.

New students at CSC can expect personalized help in becoming acquainted with the campus and program.

Each CSC student is assigned a faculty adviser who will assist in scheduling classes and planning programs.

Special Courses

Registration for special courses may be completed during regular registration, June 12 or 13, or at the Records Office, Frasier 126, after June 13. Students must register before the first class meeting. It is the student's responsibility to learn when his first class meets.

A student may register for any class for no credit by paying regular tuition and fees. Class cards may be obtained from the Dean of the College. No audit or visitors cards are issued.

Graduation

Graduation will be at 7 p.m. Thursday, August 17, in Garden Theater. Graduating students are required to participate in graduation exercises. Caps and gowns may be rented from the College Bookstore.

Final Examinations

Final examinations will be held Wednesday, Thursday and Friday, August 16-17-18, according to the published schedule, unless special arrangements are made by the instructor for special examination periods. A student who must be absent any part of the last week of the course or for final examinations makes arrangements with his instructor to receive an Incomplete, if his reasons and previous work warrant this privilege. If arrangements are not made, the student receives an F. Only in extreme emergency (death, illness, jury duty, armed services directives) may an instructor grant an early examination privilege, which requires a fee and a special examination.

SUMMER AT CSC

Colorado State College summer students will enjoy a diversified summer of study and recreation. On campus (upper left photo) students and their families may particularly appreciate the tree-shaded campus and the library, Carter Hall, with its air-conditioned stacks. Evenings have been planned to provide recreation as well as experiences in the finer arts. For this reason the Little Theatre of the Rockies (upper right photo) has again scheduled five outstanding theatrical productions this year. Opportunities to combine treks through the Rocky Mountains with course work are often provided through class-sponsored field trips (lower left photo); or students and their families may prefer to while away their weekends on more private outings (lower right photo).
