Series XLI, February, 1991, No.1.

The University maintains an educational record for each student who is or has been enrolled at the University. In accordance with the Family Educational Rights and Privacy Act of 1974, as amended (hereafter "Act"), the following student rights are covered by the Act and afforded to all eligible students at the University.

1. The right to inspect and review information contained in the student's educational records.
2. The right to request amendment of the contents of the student's educational records if believed to be inaccurate, misleading, or otherwise in violation of the student's privacy or other rights.
3. The right to prevent disclosure without consent, with certain exceptions, of personally identifiable information from the student's educational records.
- Parents of dependent students as defined by Internal Revenue Code of 1954, Section 152 as amended are exceptions. All students under age 21 shall be assumed dependent unless the student notifies the Registrar's Office in writing when they consider themselves to be of independent status of a student 21 years of age or older or one who has notified the Registrar's Office of his/her independent status, a certified copy of the parent's most recent federal income tax form shall be required before any educational records or components thereof shall be released to the parents of the student.
4. The right to secure a copy of the University's policy.
5. The right to file complaints with the U.S. Department of Education concerning alleged failures by the University to comply with the provisions of the Act.

Each of these rights, with any limitations or exceptions, is explained in the University's policy statement, a copy of which may be obtained in the Registrar's Office.

The items listed below are designated as Directory Information and may be released as to any student for any purpose at the discretion of the University unless a written request for nondisclosure is on file:

- Category I: Name, addresses, telephone number, dates of attendance, classification.
- Category II: Previous institution(s) attended, major field of study, awards, honors, degree(s) conferred.
- Category III: Past and present participation in officially recognized sports and activities, physical factors of athletes (height and weight), date and place of birth.

Current eligible students may prohibit general disclosure of this Directory Information by notifying the Registrar's Office in writing, specifying the categories to be withheld, within 10 calendar days after the first scheduled class day of each term. The University will honor the request until the student notifies the Registrar's office in writing to allow the release of directory information. The student should carefully consider the consequences of any decision to withhold any category of Directory Information. Regardless of the effect upon a student, the University assumes no liability that may arise out of its compliance with a request that such information be withheld. It will be assumed that the failure on the part of a student to request the withholding of Directory Information indicates the student's consent to disclosure.

Any questions concerning the student's rights and responsibilities under the Family Educational Rights and Privacy Act should be referred to the Registrar's Office.

SUMMER 1991

WELCOME

SUMMER AT UNC

There is a mystique about Colorado, a beckoning. It has called travelers here, often to a new frontier, where they have visited or settled, forged adventures, and created legends.

Woven into the heritage of the American West is what author and alumnus James A. Michener has called a "feisty" institution, today's University of Northern Colorado.

In 1889 Governor Job A. Cooper signed legislation creating this "State Normal School." Today only four other institutions in the nation surpass our university in the number of teachers they train. But more than that, with more than 10,000 students in graduate and undergraduate programs each year, UNC has not only become a world leader in teacher preparation, but has created other excellent academic programs in the arts and sciences, business, health and human sciences, and the performing and visual arts.

The UNC Summer Session has become a celebrated tradition too. Thousands of professionals in education and other fields will travel to Greeley to enhance their professional life. Those who come will find a major state university operating on the semester system. Besides its continuing excellence, they'll find the University's highly personalized academic environment enhanced by the interaction of regular Summer faculty, guests and about 5000 students.

They will find an environment featuring a 236-acre campus with greenery, open space, ivy-covered buildings and modern educational facilities, including a library system with more than 1.2 million holdings and computerized access to millions more.

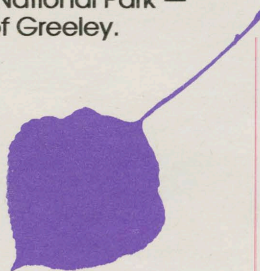

AN IDEAL LOCATION

Greeley, a city of more than 63,000 friendly people, offers a special blend of tranquility and energy, culture, and the western spirit. The summer home of the Denver Broncos, it affords and often celebrates a rural lifestyle, while providing cultural events and entertainment that rival those in major metropolitan areas.

Denver is only an hour's drive away with its cosmopolitan amenities. And summer in Colorado just wouldn't be complete without a visit to one of the nation's greatest natural assets — Rocky Mountain National Park — only an hour west of Greeley.

FOR THE KIDS TOO

THE SUMMER FORMAT

Summer Session is divided into three individual sessions; a four-week Interim Session from May 13 to June 7; a one-week Pre-Session from June 10 to June 14; and an eight-week Regular Session from June 18 to August 9.

This scheduling format is designed to serve our varied audience as fully as possible. A variety of undergraduate and graduate courses are available. Summer Session courses and workshops are offered in intensive time formats, but there is no reduction in their academic requirements.

• **The Campus Child Care Center** — provides care for children 6 weeks to 5-1/2 years of age. Every effort is made to accommodate the variety of short-term needs that occur as a result of the summer's schedule. Enrollment priority is for full-time, full-week care. Due to great demand and limited space, early application is recommended. Contact the Campus Child Care Center, phone (303) 351-2071.

• **Individualized Reading Instruction (K-12)** — includes individual and group tutoring in remedial reading. Contact the Division of Elementary, Middle School, Early Childhood Education and Reading, McKee 213, phone (303) 351-2702.

• **Summer Special Needs Program** — is for children (K-12) experiencing learning problems and/or emotional problems. Students' individual needs will be met in small group settings. This Kephart Center program operates mornings for six weeks. Contact the Division of Special Education, McKee 318, phone (303) 351-2691.

• **Summer Enrichment Program** — Talented, gifted, and creative children (grades 5-12) may apply for acceptance in a program specially designed for them. 1991 cost: \$595/2 weeks. Contact the Summer Enrichment Program, McKee 318, phone (303) 351-2683.

• **Comprehensive Arts, Sports, Activities** — offered for all ages by the City of Greeley's Recreation Division, which provides open swimming, a 205 foot-long outdoor water slide, swimming lessons, tennis instruction, racquetball, weight room, baseball, softball, track, wrestling, gymnastics, pistol, rifle, archery, playground programs, instructional programs, such as ceramics and stained glass, and special events programs. Contact the Greeley Recreational Division, phone (303) 353-6522.

• **UNC Recreation For Kids** — Residence hall students with children ages 7-14 may have them included in UNC's recreational and cultural activities. Contact Residence Hall Summer Recreation Program, Gunter Hall, phone (303) 351-2067.

• **College for Kids** — Greeley's local community college, Aims, offers "College for Kids". Courses planned include Discovering the Micro-computer, Electronic Wizardry, Computer Programming, Beginning Typing, Photography, Soccer Camp, Creative Dance, Clay Design, Tennis, American Sign Language, and Calligraphy. Children, grades 1-12 are eligible. Contact Aims Office of Continuing Education, 5401 W 20th Street, Greeley, Colorado 80634, phone (303) 330-8008, ext. 218.

ATTRACTIONS

• **Summer Arts Series** — Guest artists from throughout the United States will join UNC students and faculty for the 1991 Summer Arts Series. The series features a wide variety of both indoor and outdoor cultural events — musicals, plays, and concerts. UNC Performing Arts groups will feature the summer company of the Little Theater of the Rockies, the Summer Symphonic Band, and chamber ensembles.

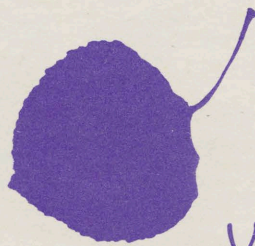

• **Special Event Series** — During the Summer Session, many special events take place on campus that are open to Summer students at no charge. These events include public lectures, performances and demonstrations. Look for the Special Event Series posters on campus so that you may participate in these exciting events.

VACATION AND LEARN

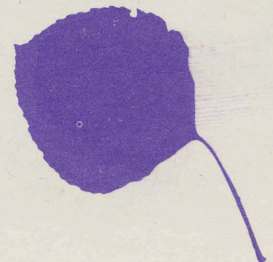

Beaver Run Resort, Breckenridge, Colorado — Study at UNC this summer and vacation at Beaver Run Resort in Breckenridge, the ultimate year-round mountain resort. The clean, crisp mountain air, spectacular scenery and invigorating alpine sun make this 130-year-old mining town an ideal place to rejuvenate one's body and spirit. UNC Summer Session students are eligible for special reduced rates at Beaver Run Resort. If you plan to visit Beaver Run Resort, contact the Summer Session office at (303) 351-1942.

Each reservation must be made by the consumer in conjunction with the University of Northern Colorado Summer Session. The University will not be held liable for any individual reservations made by the consumer.

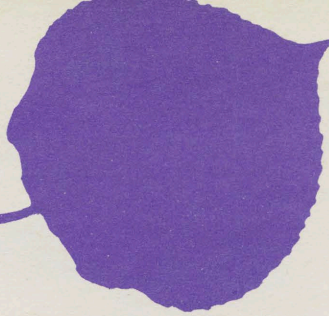

VISITORS

Summer is an excellent time to explore our campus and get a taste of life at UNC. Campus tours are available Monday through Friday four times daily. To reserve spaces in the tour van, call the Visitors Center at (303) 351-2097 or toll-free from the Denver metro area, 534-8312. Reservations are required.

ADMISSION

For Admission information, call (303) 351-2881 or toll-free from Denver, 573-1379 or write: Admissions Office, Carter Hall, University of Northern Colorado, Greeley, Colorado 80639.

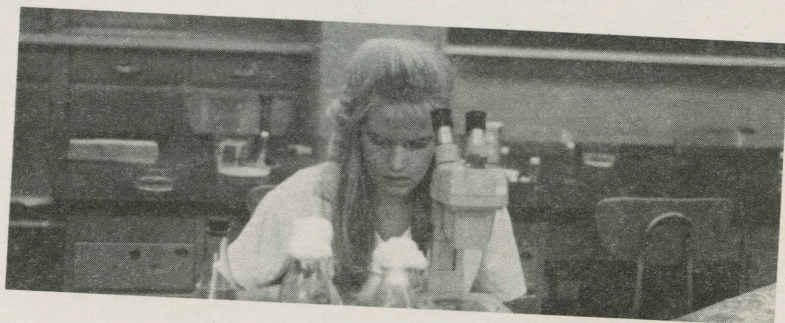

SUMMER-ONLY

Undergraduate students planning to attend UNC Summer Session only must return the Statistical Information and Course Selection forms in the back of this publication. Attendance in the Summer Session does not assure admission for subsequent semesters. Official application for admission must be made if you are planning to continue a degree program at UNC.

FRESHMEN

If you are entering UNC as a degree candidate for the first time, write to the Office of Admissions for information and application forms. The Colorado Commission on Higher Education has set admissions standards for all state universities. Standardized test scores and a high school transcript are required, and will be reviewed by the UNC staff.

TRANSFERS

The University accepts a maximum of 90 semester or 135 quarter hours of transfer credits for undergraduate programs. No more than 64 semester or 96 quarter hours of credit may be accepted from accredited junior or community colleges.

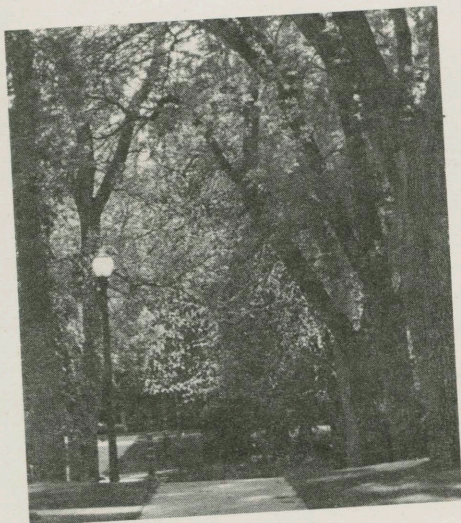

Students seeking a degree must submit an official application for admission and a transcript from each college they have attended. Transfer applicants who have completed less than 30 semester hours or 45 quarter hours at other institutions must also submit a high school transcript and standardized test scores. Application forms are available from the Office of Admissions.

GRADUATE APPLICATIONS

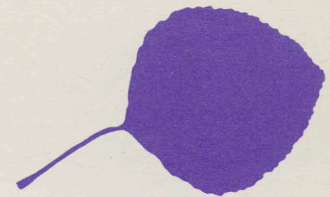

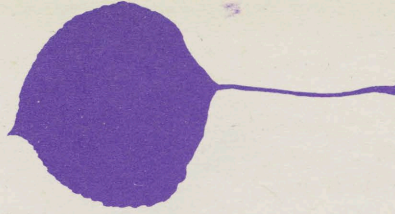

Contact the Graduate School for application forms. Graduate Record Examination Aptitude Test scores must accompany the doctoral application.

UNCLASSIFIED GRADUATES

An unclassified graduate student (not officially admitted to a graduate degree program) may sign up for classes by reporting directly to the Registration Center or by using the mail-in selection form in the back of this publication. Only 10 semester hours or 15 quarter hours (or like combination) of unclassified work can be transferred into a degree program. If you have not previously attended UNC, complete the Statistical Information, before or at the time of registration.

REGISTRATION

In order to maintain the breadth of course offerings during the semester, many are contingent upon sufficient enrollment and faculty assignment. Minimum enrollments for courses will vary. Register at the earliest possible date in order to increase the likelihood that required course cancellations will be met. Course cancellations usually are announced before the first day of class and will occur no later than that date. In the event of course cancellation, efforts will be made to notify you in advance.

You are responsible for meeting all deadlines in this publication and for fulfilling requirements and policies as stated in the *UNC Bulletin*.

Course selection materials for Summer are mailed to students who were enrolled Spring 1991 and/or Summer 1990. You may select classes by telephone for a one-time \$3 charge (351-2825); in person at the Registration Center, University Center; or by mail, using the form in the back of this publication. Mail-in registrations must include payment. You should register before the beginning of class at the Registration Center, by telephone (351-2825), or by mail. Registration is not complete until the tuition and fee payment process is completed.

IN PERSON

Select courses at the Registration Center, second floor of the University Center, anytime on or after the date that appears on the course selection form mailed to students who were enrolled Spring 1991 and/or Summer 1990.

Beginning April 29, the Registration Center is open to all students for registration and schedule changes on all regular working days between 9 am and 4 pm. Payment for tuition and fees may be made in person or by mail (See Tuition and Fees section in this publication). On Monday, June 17, the Registration Center will be open from 8 am to 4 pm ONLY for those students who have not registered early. You are admitted to the Registration Center at the time assigned below. If your name begins with the following letters, select courses at or after the time indicated.

Monday, June 17, 1991

A-Bz — 9:00 am	Kf-Mz — 12:30
C-Dz — 9:30	N-Oz — 1:00
E-Ez — 10:00	P-Pz — 1:30
F-Gz — 10:30	Q-Rz — 2:00
H-He — 11:00	Sa-Sm — 2:30
Hf-Lz — 11:30	Sn-Vz — 3:00
J-Ke — noon	W-Z — 3:30

BY MAIL

Use the forms in the back of this publication. **All course selection forms received by mail must include payment for tuition and fees.** To register, complete and mail the Course Selection Mail-in form, Statistical Information form, and the Immunization Record form with your check or money order (payable to University of Northern Colorado) or credit card information to: Registration Center, UNC, Greeley, Colorado 80639. Mail-in registration and payment must be received five working days before the starting date of your first course. Mail-In Course Selection forms received without payment will be returned to you with instructions for completing registration.

BY TELEPHONE

You may complete registration transactions, using the touch-tone telephone registration system for \$3. The fee is assessed only once during the Summer Session. You may use a touch-tone telephone to complete initial class registrations and drop-add transactions virtually any time of the day or night after your assigned initial registration time. **If you did not attend UNC during the 1990-91 academic year, you must mail the completed Statistical Information and Immunization Record forms to UNC for processing before calling.** Allow two weeks for the University to process these forms.

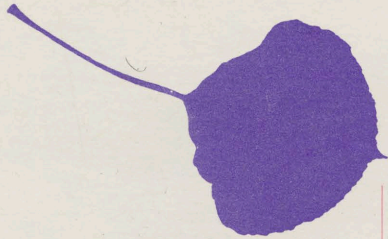

The Personal Access Code (PAC) required for telephone registration is 2580 for all students during Summer Semester 1991. For step-by-step instructions, see the form in the back of this publication. Payment of tuition and fees may be made in person or by mail. (See Tuition and Fees section).

COURSE AUDITS

Students participating in any course must register for either credit or no credit (audit). If you are registering for no credit (audit) you must indicate 00 hours in the variable credit hours column of the Course Selection form. Tuition and fees are assessed at the same rate for audit as for credit registrations.

REGISTRATION

COURSE LOAD

During the summer, you may register for a maximum of 3 semester hours of coursework during the one-week Pre-Session (and all other one-week periods in which three-semester-hour classes are taken), 6 semester hours of coursework during the four-week Interim Session and 10 semester hours of coursework during the eight week Regular Session. In addition, you may not take more than 16 semester hours during the Summer Session without requesting permission for an overload. The course load limitations refer to work completed in either the on-campus or off-campus programs or in a combination of the two. Additional tuition is charged for every credit hour over 18. A total of 12 to 15 semester hours represents a heavy course load in the summer.

NUMBERING

Courses numbered 100 to 499 are for undergraduate credit. Courses numbered 500 to 799 are for graduate credit. Undergraduates may not enroll in courses numbered 500-799; however, juniors and seniors with a cumulative grade point average of 3.00 may enroll in courses numbered 500 or above.

RESTRICTIONS

There are several courses listed in this publication that are restricted to certain groups of students. The appropriate restriction is indicated under the course title. When such a restriction is noted, you must present to the terminal operator a special Permit to Enroll card obtained from and signed by the course instructor.

PTE

RESTRICTION

Professional Teacher Education (PTE) consists of a set of experiences, requirements, courses and proficiency examinations applicable to all students seeking teacher certification. Students wishing to enroll in PTE courses must have completed a screening process; however, some PTE courses may be taken concurrently with the screening process. Students who have already received a Colorado teaching certificate or who have completed an out-of-state teacher certification program and are seeking Colorado certification for the same endorsement are also eligible to enroll in PTE courses and do not need to complete the screening process. To register for PTE courses, contact the Teacher Education Center, McKee 103, (303) 351-2430.

DIRECTED STUDIES, NON-SCHEDULED COURSES

You are permitted to enroll in non-scheduled courses with the permission of a supervising faculty member. Non-scheduled course enrollments are processed at the same time as other course selections at the Registration Center. Use 0746, 0747, or 0748 as the course identification number, and indicate the number of hours in the variable credits column on the Course Selection form. For each non-scheduled class, a Non-Scheduled Course form, available from the academic department, is to be completed and presented to the terminal operator at the Registration Center at the time of the transaction. The form must bear the signature of the supervising faculty member and the department chairperson. You may not register for these courses by telephone.

FACULTY DROP

A faculty member can at her or his discretion during the drop/add period drop a student who does not attend the first two hours of class in order to make room for other students who wish to enroll. If for some reason you cannot attend the first two clock-hours of class, contact the instructor to guarantee registration. Not all instructors will exercise the option to drop; therefore, you should not rely on the assumption that non-attendance will automatically drop you from class.

GRADUATION

Graduation is scheduled at 9 am, Saturday, August 10. No application for graduation will be accepted after May 25 (undergraduate) or June 29 (graduate) for Summer commencement. Students who participate in the ceremonies must wear appropriate costume. Caps and gowns may be rented at the UNC Bookstore.

Those eligible who choose not to participate must notify the Registrar (undergraduate) or Graduate School (graduate student) at least two weeks before graduation so that appropriate addresses can be confirmed and graduation details can be clarified.

REGISTRATION

IMMUNIZATION

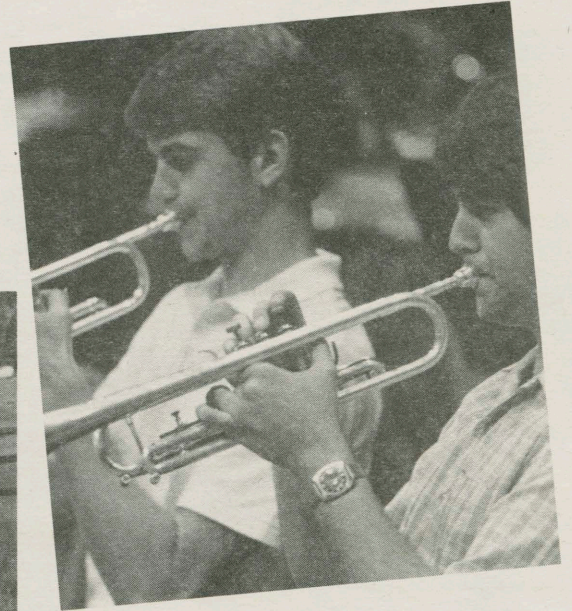

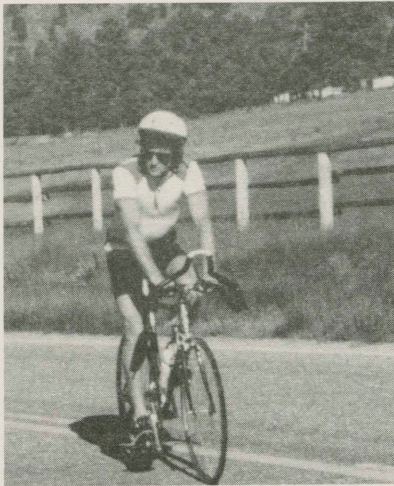

Measles outbreaks, both Rubeola and Rubella, have become common on college campuses and UNC is striving to prevent another outbreak. UNC Health officials must know the immunization status of every person who will be on campus for more than one week. Every person attending classes on campus at UNC is required to complete and submit the Certification of Immunization form found in the back of this publication.

Summer students are often older and believe they are immune or too old to receive measles/rubella vaccines, or that they received these vaccines in the military. It can be assumed that those born before 1957 are immune to Rubeola, but such an assumption cannot be made about Rubella.

New enrollees at UNC will have six weeks in which to provide an immunization record to the Student Health Center. Unless this record is received, a "hold" will be placed on future registration requests. For additional information, contact Student Health Services, Decker Hall, 351-2412.

- Housing Regulation — Students born after 1957 who plan to live on campus must submit proof of immunization for Rubeola and Rubella to the Student Health Center before moving into university housing.

Students born before 1957 who plan to live on campus must submit proof of immunization for Rubeola and Rubella or sign a personal exemption form and submit it to the Student Health Center before moving into university housing.

SENIOR CITIZENS

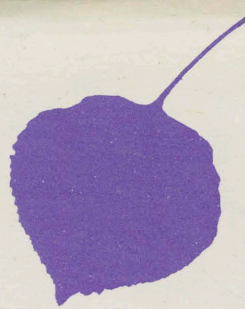

Senior citizens (over 60) may register for undergraduate lecture courses for no credit (audit) on a space-available basis without being assessed tuition and fees by using a special form available at the Registration Center.

DROP/ADD

Corrections and changes to your schedule are made by completing the Schedule Change form on the reverse side of the Schedule Confirmation form and presenting it to the Registration Center or by using telephone registration. These changes can be made any time after you first select courses for summer until the drop/add deadline. No refunds are given to students withdrawing from classes after the drop/add deadlines noted earlier on the Calendar page.

WITHDRAWING

You are permitted to withdraw from a class until the mid-point of the course. (See calendar on page 4.) To withdraw use the Schedule Change form on the reverse side of the Schedule Confirmation form or obtain a Withdrawal form from the Registration Center. Obtain the course instructor's signature and present the form to the Registration Center. Students withdrawing from all courses should contact the Academic Advising Center. Students withdrawing from the University will be charged a withdrawal fee. (See Tuition and Fees section of this publication.) Tuition will be charged for courses from which students withdraw.

EXPENSES

The student (not a parent, guardian, spouse, agency of a foreign government, or other third party) is responsible for the payment of tuition, fees and other charges. You must be prepared to pay the full amount at the beginning of the term or pay one-third of the current term charges plus all of the prior term charges for your balance to be deferred, as explained in the Payment Deferral section.

All rates quoted in this document are approved by the Board of Trustees and are subject to change.

TUITION AND FEES IN-STATE

Credits	Undergraduate	Graduate
1	\$88	\$102
2	176	204
3	264	306
4	352	408
5	440	510
6	528	612
7	616	714
8	704	816
9	792	918
10-18	875	1013

The surcharge per credit hour for taking more than 18 hours (full-time student) is \$50 for undergraduates, \$59 for graduate students.

OUT-OF-STATE

Credits	Undergraduate	Graduate
1	\$257	\$272
2	514	544
3	771	816
4	1028	1088
5	1285	1360
6	1542	1632
7	1799	1904
8	2056	2176
9	2313	2448
10-18	2560	2716

The surcharge per credit hour for taking more than 18 hours (full-time student) is \$162 for undergraduates, \$173 for graduate students.

Student fees are included in the above rates. Student fees for those enrolled in 9 or fewer credit hours are \$13 per credit hour. Student fees for

those enrolled in 10 or more credit hours are \$125 total. General University fees, student fees and health service fees are committed to support essential student activities and programs, the Student Health Center, and the Student Representative Council. You must pay these fees each term, whether or not you make use of the privileges and activities underwritten by the fee.

Tuition and fees are calculated on the total cumulative hours for which you are enrolled in the term. Rates quoted are for full credit hours. Courses with one-half credit hour will be prorated and rounded to the nearest whole dollar.

For financial aid purposes, full-time enrollment is considered 9 hours for undergraduate students or for graduate students. (See Student Financial Resources section in this publication for complete information.)

COURSE AUDITS

Students participating in any course must register for either credit or no credit (audit). If you are registering for no credit (audit), you must indicate 00 hours in the variable credit hours column of the Course Selection form. Tuition and fees are assessed at the same rate for audit as well as credit registrations.

SPECIAL SAVINGS

The University of Northern Colorado offers more than 50 special workshops at the reduced rate of \$102 per credit hour for out-of-state students. This charge for courses, marked ✖ in the Special Courses and Workshops section, includes tuition and fees.

Full-time students (10-18 credit hours) who enroll in a combination of reduced rate workshops and other courses will be charged first for the number of hours in reduced rate workshops at \$102 per credit hour, then for additional hours in other courses at the regular out-of-state rate. The maximum charge for tuition and fees will be for 10 credit hours — a full-time load. Reduced rate workshop credit hours will count toward a full-time load for tuition. Tuition and fees are calculated on the total cumulative hours for which you enroll.

For example, a graduate non-resident student enrolled in one 3-credit-hour reduced-rate workshop and 10 credit hours of other courses and workshops would receive the following savings:

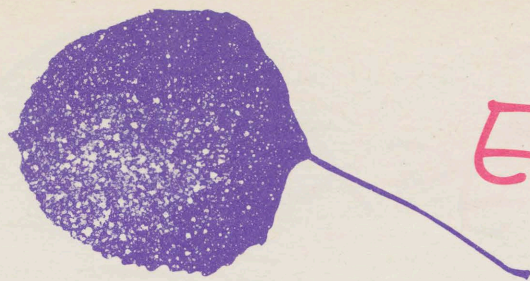

Regular Rates	
Enrolled for a total of	
13 credit hours of full time	\$2716
Total regular rates	\$2716

Reduced Rates	
Enrolled for a total of	
3 credit hours in	
a reduced rate workshop	
(3 x \$102)	\$ 306
Enrolled for additional	
10 credit hours in other	
courses with non-resident	
graduate tuition assessed on	
only 7 credit hours (7 x \$272)	\$1904

Total Reduced Rate Cost..... - \$2210

Net Savings = **\$506**

EXPENSES

PAYING ACCOUNTS

All students who register by mail must include full payment with the mail-in registration form. (See Registration section of this publication.)

If you register for classes at the Registration Center or by telephone, you will have a Statement of Account and Change of Address form mailed to you. The May 15 billing will be mailed to your current and home address while the June 19 and July 17 billings will be mailed to your current address only.

Registration Date	Billing Date	Bill Due Date
Through May 15	May 15	May 31
May 16-June 19	June 19	July 3
June 20-July 17	July 17	July 31

Your financial obligation to the University must be paid before 4 pm on the above due date. Failure to have all charges paid by July 31 will result in the cancellation of your Summer term classes even if the classes have been completed. (See Re-registration Fee section.)

Make payment at the Accounting Services windows in Carter Hall through one or a combination of the following methods:

- Payment in full
- Payment through financial aid as approved by the Office of Student Financial Resources
- Payment through the deferral plan as explained in this publication
- Payment through the CASE- UNC plan as explained in this publication
- Payment through VISA or MasterCard

The University of Northern Colorado will not register a student, release a diploma, provide a transcript, or supply placement and other University services to any student or former student who has an outstanding financial obligation to the University other than a loan that is not yet due or on which payments are up to date. Also, failure to pay a financial obligation to the University when it is due may result in your account being placed with a collection agency and such action reported to a credit bureau. In addition, your account may be charged legal allowable collection charges and attorney fees to help secure repayment of the debt owed the University.

INSTRUCTIONAL FEES

The Vice President for Academic Affairs and the Board of Trustees approve instructional fees. Courses that have instructional fees approved in addition to tuition have a "Fee Required" notation in the course schedule in this publication. In addition to specific course fees, the following academic program fees for students have been approved by the Board of Trustees

- Business Major fee, \$15 per semester
 - Business Minor fee, \$10 per semester
 - Music Major fee, \$15 per semester
- These fees apply only if you are enrolled in 6 credit hours or more during a semester.

- Replacement of University identification card: \$5
- Handling of check presented in payment of account that for any reason turns out to be non-negotiable: \$20.

(Note that non-negotiable payment is the same as non-payment and may result in cancellation of your enrollment.)

EXPENSES

COPIRG FEE

Optional. In the spring of 1988, students voted to re-certify a chapter of the Colorado Public Interest Research Group (CoPIRG), to be funded by a \$3 waivable fee. CoPIRG is a statewide, student directed, nonpartisan, nonprofit organization that conducts research, advocacy, and public education on such issues as voter registration, air pollution, good government, tenant's rights, toxic waste, safe drinking water, and consumer protection. Other CoPIRG chapters operate at Colorado State University and Metropolitan State College. Students have the opportunity every 3-4 years to show their support for their CoPIRG chapter and fee through a general student election.

If you do not wish to support the UNC CoPIRG chapter, you may waive your CoPIRG fee at the time of initial registration or at the time you pay your bill. If you are using telephone registration, refer to the worksheet located in the back of this publication.

PAYMENT DEFERRAL

A student may use the deferral plan by paying 1/3 of the total current term expenses (tuition, fees, and other charges) by 4 pm. on May 31. A second 1/3 payment plus appropriate deferral fee is due by 4 pm, July 3. The final 1/3 payment is due by 4 pm, July 31. If any amounts remain unpaid after this deadline, a late fee will be assessed and registration for the subsequent term will be cancelled.

The extension of this privilege requires the assessment of the following deferral fees based on the amount deferred.

Amount Deferred	Fee
\$ 25-199	\$2.50
200-399	5.00
400-599	7.50
600-799	10.00
800-999	12.50
1,000-1,199	15.00
1,200-1,399	17.50
1,400 and over.....	20.00

CASE-UNC

The "Credit Available for Student Employees at UNC" (CASE) program allows students employed by the University to make arrangements through the Office of Student Employment, a unit of the Office of Student Financial Resource, in Carter Hall to apply income from student employment (other than federal work-study) as it is earned to tuition, fees and other charges.

LATE PAYMENT FEE

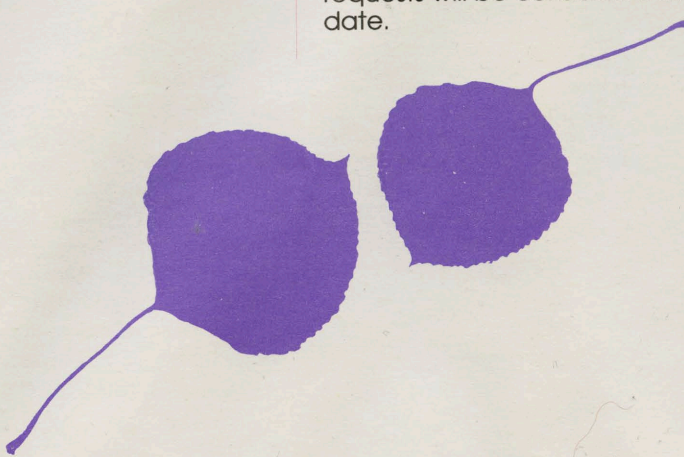

If you have not paid your tuition, fees, and other charges within the allotted time, you will be assessed a late fee, according to the following schedule. This fee is added to the outstanding balance. Late payment fee based on past due balance follows:

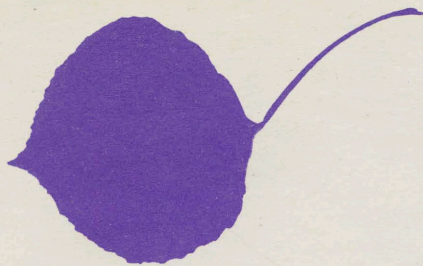

Amount Owed	Fee
\$ 25-\$99	\$5.00
100-199	7.50
200-299	10.00
300-399	12.50
400-499	15.00
500-599	17.50
600-699	20.00
700-799	22.50
800-899	25.00
900 and up.....	27.50

RE-REGISTRATION FEE

If you do not pay tuition, fees, and other charges by July 31, you will have your current term schedule of classes cancelled. You may be re-registered, but only into the exact schedule for which you were enrolled at the time of cancellation, and you must pay an additional \$100 re-registration charge. If you are enrolled in zero to less than 10 credit hours, you will be assessed a \$50 fee. Payment must be made in the Accounts Receivable Office.

Re-registration may be made only through August 9. No re-registration requests will be considered after this date.

EXPENSES

TUITION ADJUSTMENTS

Changes in tuition, fees, and other charges will occur during the add/drop period if the individual credit hours change from part-time to full-time or vice versa.

WITHDRAWAL FROM CLASSES

Beginning the first class day, 15 percent of the tuition and fees costs for the class will be assessed. If a student completely withdraws from the University, 100 percent of tuition and fees will be assessed for classes that have been completed.

CANCELLATIONS

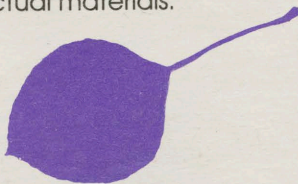

If classes are cancelled for nonpayment, 15 percent of the tuition and fee costs for those classes will be assessed.

In addition to the above charges, any costs associated with the following fees must be paid:

Bookstore charges, deferral, graduation, health insurance, housing damages, ID card replacement, instructional fees, lab equipment not returned, late payment, library fines, lost athletic equipment, lost library books, matriculation, parking fines, short-check service charges, and unpaid short-term loan.

Summer fee payment procedures differ from those during the academic year. Refer to the appropriate Schedule of Classes for information.

Students with room and board contracts are assessed amounts based upon rates, policies, and procedures explained in Residence Life contractual materials.

IN-STATE CLASSIFICATION

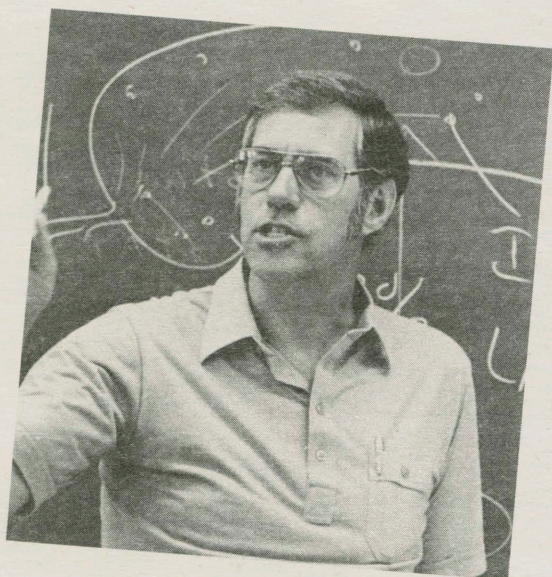

If you have been domiciled in Colorado for one year or more immediately preceding the first day of classes you may be eligible for in-state tuition classification. A domicile is a "person's true, fixed and permanent home and place of habitation." It differs from the notion of residence or mere physical presence because a person may have only one true domicile at a given time.

To be capable of establishing a Colorado domicile one must be 21 years of age or emancipated. Evidence of emancipation includes the person's ability "to meet all financial obligations, including the cost of education," along with "an affidavit from the parents stating their relinquishment of any claim or right to the care, custody and earnings of the minor."

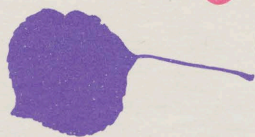

Evidence that a Colorado domicile has been established includes the observance of all mandatory duties imposed on domiciliaries. State requirements concerning auto registration, driver's license and payment of state income tax must be met for the full one-year period.

A student's tuition classification is determined before or at the time of registration. If, at a later date, you think that the tuition classification is no longer correct, you may petition for a change. Petitions must be submitted to the Registrar's Office no later than the 10th day of classes for the given term.

Active-duty Armed Forces personnel and their dependents stationed in Colorado on a permanent change-of-station basis may contact the Registrar's Office for information about qualifications for the lower in-state tuition rates.

RESIDENCE LIFE

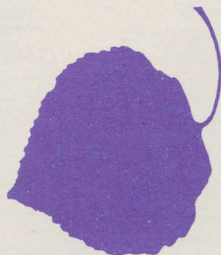

HARRISON HALL

This hall houses single undergraduate and graduate men and women. Eight-week accommodations are on a room-and-board basis. Two suite-styled, two-person rooms are joined by a bathroom. Units are furnished and utilities are paid, except for long distance phone charges. Air conditioning is not available. Laundry, computer, television and music rooms are located in the building. A limited number of apartments for disabled students is available. Additional weekly accommodations may be reserved when the contract is submitted.

TURNER AND LAWRENSON APARTMENTS

These air-conditioned high-rise buildings house single graduate students and those with families. Each apartment houses four persons. Units are furnished and utilities are paid except for long distance phone charges. Apartments have two bedrooms, living room area, bath and kitchenette. Laundry, television, and music rooms are located in the building. Harrison Hall (suite-style, not air conditioned) may be substituted if space is not available in Turner or Lawrenson. Meal service is also provided daily in air-conditioned Harrison Dining Room. Economical meal plans can be purchased, or you may purchase meals at Harrison on a weekly or cash basis. Applicable city and state taxes will be charged on short-term food and lodging.

STUDENT FAMILY APARTMENTS

Located at 509 18th Street, this facility provides economical housing for families with up to three children. To be eligible a family member must be registered for the eight-week Summer Session or pre-registered for Fall semester. Most units are furnished and utilities are paid, except telephone service. This facility has 93 units, a children's playground, laundry area, and recreation room. A limited number of apartments for disabled students is available. These units are not air-conditioned. Economical and convenient meal plans can be purchased for use in Harrison Dining Room or the University Center Food Court. The number of apartments is limited, and contracts should be secured as soon as possible. For more information, call the complex director at (303) 351-2570.

MEAL PLAN REQUIREMENTS

Freshman residents of Harrison Residence Hall who are under 21 years of age must carry a 19 meals-per-week food plan. All other undergraduate residents must carry either a 15 or 19 meals-per-week plan. Graduate and/or re-entry (at least 25 years of age) residents of Harrison must contract for any of the 10 optional meal plans offered. Purchase of a meal plan allows students to dine in air-conditioned Harrison Dining Room or the University Center Food Court.

HOUSING APPLICATION

University Residence Life application materials for the eight-week Summer Session are sent upon request by writing to Residence Life, Carter Hall, UNC, Greeley, Colorado 80639 or calling (303) 351-2721. Return your completed contract with the \$100 deposit to the same address. Note that the academic year contract is separate from the summer contract. Academic year (August-May) housing materials are sent after University admittance.

STUDENT SERVICES

PARKING

Parking at the University is by permit only. Summer Session permits are available for \$13 from Parking Services, Gray Hall, phone 351-1971. Vehicle registration is required. An application is included in this publication for summer students wishing to mail their permit orders.

Weekly permits are available for \$5 from Parking Services and the residence hall offices. Summer students who will be on campus less than a week may purchase daily permits (\$1 each) from the red dispensers located in student lots. A limited number of metered spaces also are provided in most parking lots.

Parking spaces for wheelchair and handicapped students are located in each campus lot, but a permit to use them is required from Parking Services. Call the Parking Services office if you need assistance, and arrangements will be made to meet you in the Parking Services lot. Wheelchair permits also can be purchased from the Resources for the Disabled office in McKee Hall.

Only during the Summer Session will no parking permit be required in J lot, the large parking lot south of West Campus residence halls (McCowen, Lawrenson, Turner and Harrison).

Parking Services hours are Monday through Friday, from 8 am to 5 pm through Spring semester, and 7:30 am to 4 pm during Summer semester.

ID CARDS

All new students and returning students who have not been enrolled at UNC after Fall 1981 are expected to have a photograph taken for their University ID card. These photographs are taken at the Michener Library Circulation Desk. Students selecting classes by mail should have their photographs taken during the first week of the semester. Student photo ID is required to check out library materials, use recreation facilities and purchase student tickets to campus entertainment and cultural events.

LIBRARY

The Michener Library will be open during the following hours:

Interim Session (May 13 - June 8)

BOOKSTORE

The University Bookstore, located in the University Center, provides a complete line of textbooks, general books, computers, academic supplies, gift items, and collegiate clothing. A textbook "buyback" is held at the end of each semester. The Bookstore is open 7:45 am - 5 pm Monday, Tuesday, Thursday, and Friday; 7:45 am - 7 pm Wednesday, and 11 am - 3 pm Saturday.

FINANCIAL AID

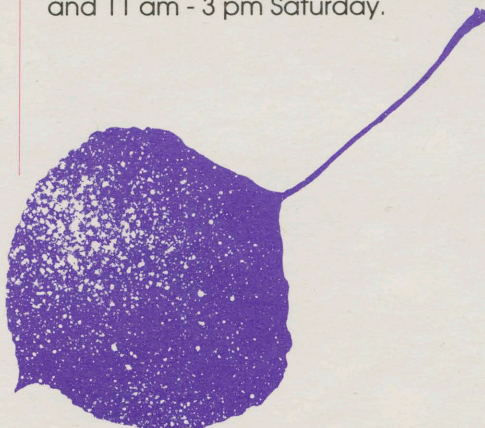

Financial Aid is awarded to help students meet college costs. The Office of Student Financial Resources administers several types of state and federal aid programs including grants, loans, employment, scholarships and veteran's benefits.

Funding for Summer Session is usually limited because of fiscal year-end expenditures and is awarded on a "priority" basis to continuing UNC students. However, students who are attending only the Summer term or who are enrolling in classes for the first time during Summer term may apply for a Stafford Loan. Those who are not eligible for the "need-based" Stafford Loan may apply for the Supplemental Loan for Students (SLS) or Parent Loans for Undergraduate Students (PLUS). Applications are available from any bank, credit union, or savings and loan that participates in the Colorado Student Loan Program.

A supplemental summer application is required. These forms are now available in the Office of Student Financial Resources. They are due on March 1. Continuing students will be considered for the Pell Grant, Stafford Loan, and the SLS/PLUS loan if they have not already reached their annual maximums. Applications for loans will be accepted beginning April 15.

If you have already filed a United Student Aid Fund Singlefile Form (SF) or an ACT Family Financial Statement (FFS) for the 1990-91 academic year, it will not be necessary to complete another one for summer. Simply submit the supplemental summer application and a loan application. If you have not filed a Need Analysis Report, you will need to do so before we can determine your eligibility for a loan. The USAF (SF) or the ACT (FFS) Forms can be obtained from any college or university financial aid office. Complete and mail the form as soon as possible. It takes approximately 4 to 6 weeks to be processed.

Loans for Summer term may be obtained for full-time or half-time attendance. For the Summer term only, all students (graduate and

STUDENT SERVICES

undergraduate) enrolled in 9 semester hours will be considered full-time and all students enrolled in at least 5 hours will be considered half-time. Hours completed during the interim and pre-session may be included in this total; **however, funds will be disbursed only during the eight-week session.** Those attending only the one- and/or four-week sessions, will not be eligible for financial assistance for Summer term.

EXAMPLE

Four-week Interim Session = **no aid**

One-week Pre Session = **no aid**

Eight-week Session in combination with four- and/or one-week hours totaling 5 credit hours = **half-time eligibility**

Eight-week Session in combination with four- and/or one-week hours totaling 9 credit hours = **full-time eligibility**

For more information, contact the Office of Student Financial Resources, University of Northern Colorado, Carter 1005, Greeley, Colorado 80639, phone (303) 351-2502.

TRANSCRIPTS

Official transcripts with Summer Semester grades are available within two weeks after the last day of the semester. Transcripts with degrees awarded Summer Semester are available three weeks after commencement. Order transcripts from the Registrar's office, Carter 3002. The student's signature and a \$3 fee per transcript are required.

When ordering a transcript, identify any specific Summer Semester course to be included. When all desired grades are posted on records, normal processing time is two working days after receipt of the request. Faculty must submit grades to the Registrar's office by 4 pm of the third working day after the end of a course. Grade changes or corrections are not accepted after the first two weeks of the academic semester after the receipt of the original grade by the Registrar's office.

STUDENT HEALTH SERVICES

Health services at UNC are available to all enrolled students, and you are encouraged to use the Health Service just as you would other out-patient health facilities. The Health Center staff encourages you to make your health a priority, to seek care in the early stages of an illness, and to follow advice given by our Health Center professionals.

Student Health Services is supported entirely by student fees; no tuition or state appropriations are used. The mandatory health fee is included in the fees paid by all students to give all students access to the Health Center. A student's spouse may elect to pay the full health service fee, which is the same as for full-time students.

The staff includes nurse specialists, nurse practitioners and physicians contracted from the Greeley community. Call for appointments as early in the day as possible in order to receive full advantage of services. Each time you request services, you will be asked to show your current University ID card. If you have not turned in your Health History form, you will be required to complete the form before being seen by the medical staff.

Basic Services covered by your prepaid health fee include assessments by staff nurses, appointments with physicians based on nurse referral, diagnostic laboratory studies up to \$45 per semester with non-credit workshop participants excluded, first aid, limited medications, and supplies. Additional services available at a fee include allergy testing; allergy injections; screening for student teaching, nursing clearances, etc.; injections (PPD, MR, DT); women's annual health exam; health education; alcohol/drug evaluation; limited prescriptions, and over-the-counter drugs. Phone: (303) 351-2412.

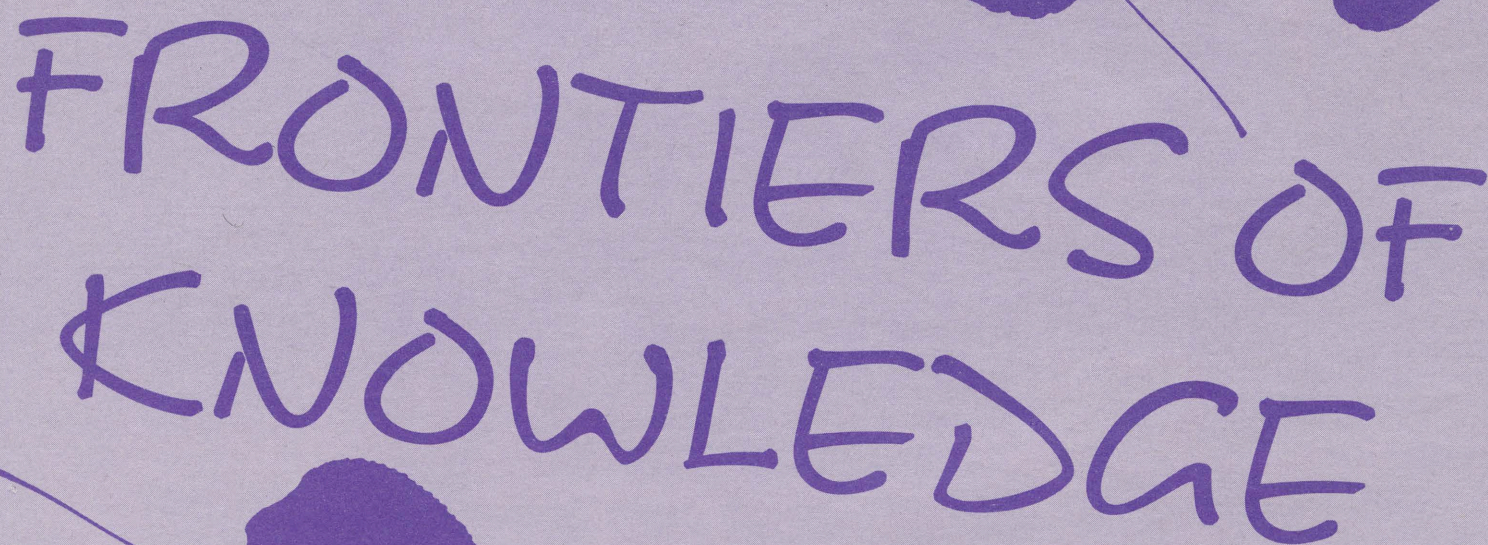

HEALTH INSURANCE

Health insurance is optional during the Summer Session. However, students who paid the insurance premium during the Spring semester are automatically covered during the Summer Session. Students new to the campus during the summer may purchase the health insurance plan. The student insurance premium for Summer 1991 is \$153. Contact the Student Health Insurance Office for additional information, phone (303) 351-1915.

TOUCH-TONE TELEPHONE REGISTRATION

If you are a new student or have not attended UNC fall or spring semester, mail your statistical information form and the immunization form for processing before using the touch-tone telephone registration system.

To register for courses at the University of Northern Colorado, you have the option of either completing registration in the Registration Center in the University Center, using the mail-in form, or for \$3 per semester, using the UNC Touch-Tone Telephone Registration System. You may use a touch-tone telephone to complete initial class registrations and drop/add transactions virtually any time of the day or night after your assigned initial registration time.

FRONTIERS OF KNOWLEDGE

This summer UNC will continue to investigate the frontiers of knowledge in our rapidly changing universe. To assist in probing these new and exciting fields, the Summer Session will continue its challenging Frontiers of Knowledge Summer Institutes. This program will showcase UNC faculty and prominent guest lecturers, as well as interdisciplinary approaches to provide stimulating opportunities for summer students. Join us this summer as a participant in one or more of these dynamic institutes.

ORFF-SCHULWERK INSTITUTE
Comprehensive curriculum of American Orff-Schulwerk Association-approved instruction taught by internationally recognized master teachers. These courses help music teachers understand the rationale and sequence of the Orff pedagogy, further develop their own musicianship, and apply the pedagogy.

The spiral sequence of instruction starts with introductory experiences and moves through progressively more sophisticated instructional strategies, musical composition and improvisation.

Topics include pedagogy, dance/movement, recorder performance, percussion performance, arranging and composition, improvisation, and curriculum development.

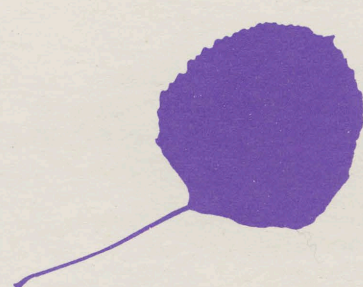

Clinicians: Barbara Grenoble, director of the Grenoble Studio of Musical Arts, Englewood, Colorado; Peggy McCreary, Orff specialist at the Grenoble Studio; Judith Thomas, past president of ASOA; Danai Gagne, director of the Orff-Schulwerk Program, Bloomingdale House of Music, New York, NY, and Maureen Kennedy, past director, graduate program, Orff Studies, New England Conservatory of Music.

REGISTRATION BY TELEPHONE

Practice IDs are listed on the next page are student ID numbers and personal access codes that you may use to practice registration. You may practice with the numbers for free; there is no \$3 telephone registration charge for using these practice IDs.

The Cost. Users are charged a total of \$3 for any and all use during the term, beginning when users are first allowed to register and concluding on the last day of drop/add. The \$3 charge will appear on your statement of account.

Getting Started. First, read the telephone registration directions below. Next, fill out the telephone registration worksheet.

Plan Your Actual Class Schedule. Once you have decided upon your classes, write them on the worksheet in the Schedule of Classes. You may wish to practice by using the classes that you want for the upcoming term. The advantage of practicing with these classes is that when you actually register, you will know exactly how to do it.

Call 351-2825. Then use one of the practice numbers. Then request 4 to indicate the class schedule. If you receive a voice response indicating the number is in use, call again using a different practice number or wait until the number is available.

Drop the Classes Already on the Schedule. You will probably find that some classes already appear on the schedule because someone else may have used the practice number before you and did not drop the classes after practicing. If classes are on the schedule, drop all but one of the classes so you can register your requests only. You must leave one class on the schedule because students are required to contact the Dean of Students office at Carter Hall to drop or withdraw from all classes.

You are Ready to Practice Adding Your Classes. Follow the telephone registration directions on the worksheet.

Press the Verify/Terminate Key After Completing Add/ Drop Requests. After you have entered your requests and pressed the Verify/ Terminate key (8), the voice response will indicate your

classification and estimated tuition and fees as well as the classes for which you have registered. Listen carefully to be sure you got the classes for which you registered. To help the next person who wants to practice, call back and drop the classes you added.

Step-by-Step Instructions

1. Call the System Number on a Touch-Tone Telephone. 351-2815

2. Select the Service Code. Once you have called the system number, you will be prompted to enter the service code. Enter R for Registration on your touch-tone telephone, and wait for a voice response.

3. Enter Your Student Identification Number. This is your social security number unless you attended before Fall 1971 or have been assigned a special number. If your student identification number is less than nine digits long, enter zeros ahead of your number to make it nine digits in length. After you have entered your student identification number, wait for a voice response.

4. Enter Your Personal Access Code (PAC). For summer students it is 2580.

5. Enter the Term for Which a Registration Transaction is Desired. Press 4. You are now ready to complete registration transactions on your touch-tone telephone.

6. Initial Registration. Enter the Add Code by pressing the A key. Then enter the 4-digit course identification number and wait for a voice response. Repeat this sequence for each class added.

Audit and Variable Credit Classes. If you wish to audit a course, press the O (zero) key, enter the 4-digit course identification number, and wait for a voice response. You will be charged tuition and student fees for audited courses. To register for variable credit courses, press the 1 (one) key, enter the 4-digit course identification number, enter the desired number of credit hours in two digits (01-18), and wait for a voice response.

Time conflicts, instructor-permission-only classes, overloads, and other similarly restricted classes cannot be added on the Touch-Tone Telephone Registration System. These classes will require you to have a special permit to enter them. Permit forms for schedule conflicts may be obtained at the Registration Center.

7. CoPIRG Fee. Students who do not wish to pay the CoPIRG fee must initiate the following procedure to waive this fee:

Enter the Waive CoPIRG Code by pressing the W key, and wait for a voice response indicating that the fee has been waived. Students will not be prompted for this question. This must be done before verifying your requests.

8. Accepting and Verifying Your Requests. The Verify key enters your class requests and leads to termination of the Touch-Tone Telephone Registration. Press the V (Verify) key after all transactions have been entered into the system, and wait for a voice response to tell you which classes have been accepted. If there are no rejected classes, a list of your courses and tuition and student fee information will be given; and the registration session will be terminated. If any of your classes are not accepted, you will be returned to the Add and Drop functions. **Your class schedule transactions are not finalized until the verification step is completed.**

Subsequent Drop and Add Transactions. After your initial registration has been completed, you may complete drop and add transactions. Adds are done in the same manner as described in the "Initial Registration" instructions.

Dropping A Class. Enter the Drop Code by pressing the D key, enter the 4-digit course identification number of the class you wish to drop, and wait for a voice response. Repeat this sequence for each class dropped.

Students who wish to drop all of their classes must contact the Dean of Students office at 351-2796 Carter Hall - 3005 to complete an exit interview.
