This Bulletin is based on information available at the time of publication. All information including statements of tuition, fees, course descriptions, course offerings, and designation of instructors is subject to change without notice or obligation.

All announcements in this publication are subject to change without notice and do not constitute an agreement between the University of Northern Colorado and the student.

Students are responsible for:

- Meeting all deadlines in this publication.
- Fulfilling requirements and policies as stated in the Bulletin.
- Obtaining a course confirmation form from the Registration Center to the Add/Drop deadline to confirm course selection.

The University of Northern Colorado, as an institution, does not discriminate in employment, admission, or in the provision of services or access to facilities on the basis of race, religion, gender, age, national origin, disability, sexual orientation, military service, or political affiliation. The designated official for University compliance is the Director of Affirmative Action/Equal Opportunity, Carter Hall, University of Northern Colorado, Greeley, Colorado 80639.

# Summer Details

## Undergraduate

(970) 351-2881 or toll-free from Denver, 637-3061

If you are a new undergraduate student planning to attend summer semester only, return the Student Information form and the Certificate of Immunization form before registration or with the mail-in registration form (Course Selection By Mail).

Enrollment in the summer semester is independent of admission for fall and spring semesters. To enroll as a regular on-going student, contact the Admissions Office, UNC, Greeley, Colorado 80639 for information and an application.

## Transfer Students

To transfer to UNC to earn a degree, you must first complete a UNC application and submit a transcript from each college you have attended. Transfer applicants who have completed less than 30 semester hours at other institutions also must submit a high school transcript and standardized test scores. Contact the Admissions Office for information and an application.

## Graduate Admission

(970) 351-2831 or  
1-800-776-GRAD

To count any course credit toward a graduate degree at UNC, you must first be admitted to a graduate program. This admission is based upon an evaluation of your academic credentials by the Graduate School and the program faculty in your area of interest. Complete and submit the application packet available from the Graduate School, before you enroll in summer courses.

In addition, contact the department that offers the degree program in which you are interested to determine if it has additional admissions criteria and procedures, degree requirements and/or special deadlines.

## Graduate Enrollment During Unclassified Admission Status

If you have applied for admission to a graduate degree program, but do not receive the Graduate Dean's certification of admission before your summer courses begin, you may enroll for graduate courses as an "unclassified (non-admitted) graduate student." However, if admission has not been granted by the time the semester is completed, you must request permission from the program advisor and the Graduate School

Dean to count such course credits in your graduate degree program once admitted. Only nine (9) semester hours of unclassified work can be transferred into a degree program. If you have not previously attended UNC, complete the Statistical

Information form before or at registration.

For more information, consult the UNC Graduate Student Handbook, available at the UNC Bookstore, or call the Graduate School.

(970) 351-2521

Do it early! Many summer courses are contingent upon sufficient enrollment. Register for your summer classes as early as possible to increase the likelihood of getting the class you want.

Course cancellations generally are announced on or before the first day of class, and efforts are made to notify you before the class starts.

You will receive your registration information (including the assigned registration time) in the mail if you were enrolled summer 1997 or spring 1998. Contact the Registration Center in the University Center if you do not receive registration information. You may select most classes by telephone, by mail, or in person at the Registration Center in the University Center; however, some types of registration can be done in person only.

Your registration is not complete until you pay tuition and fees.

## Register by Phone

You may register using the telephone registration system if you have received an assigned pre-registration time (April 6 - 29). If you choose this method, you will be assessed a one-time-only summer semester fee of \$3. This fee also provides all other available Touchtone Telephone Information System options. Practice student identification numbers and personal access codes are listed on the registration worksheet in the forms section of this bulletin. You are not charged for practice sessions.

If you did not attend UNC during the last 12 months, first mail the completed Student Information and Certificate of Immunization forms to the Registration Center for

processing before calling to register. Allow at least one week for the University to enter your information into the system. You may then register any time after April 30. (Use telephone registration worksheet before you call.)

Telephone instructions can be found in the forms section of this bulletin with the Touchtone Telephone Registration worksheet.

## Register by Mail

Complete and return the Course Selection by Mail form found in the forms section of this bulletin at least one week before the beginning of your first course. If you have not attended UNC in the last 12 months, be sure to include the Student Information form. Return your mail-in form as early as possible to the Registration Center to ensure enrollment in the courses you have chosen.

## Register in Person

The Registration Center, second floor of the University Center, is open from 9am to 4pm on all regular working days.

Returning students from Summer 1997 or Spring 1998 may select courses at the Registration Center any time on or after your assigned pre-registration date (April 6 - 29).

All students may register or make schedule changes beginning April 30. At the Registration Center:

- Complete the Course Selection form included in this bulletin. Additional forms are also available.
- Take the completed form to the Registration Center staff who will enter your selections into the system.
- Obtain the confirmation of your registration, which is printed immediately after you register, and check it for accuracy before you leave the Registration Center.
- Refer to the Costs section of this booklet for information on how to pay your bill and finalize your registration process.

## Registration Hints

- The instructor can grant permission to enroll in a restricted or closed class by using the touch-tone release process; however, you must register for the class yourself after the instructor releases it.

- Classes with the same ending and beginning times are considered "time conflicts" and you cannot register for them by phone. You will need to obtain and complete a Time Conflict form, available in the academic departments.

- If you register for a variable credit class and do not indicate the number of credits you want, your class will automatically default to the lowest possible number of credits.

- You can print a copy of your class schedule at the Registration Center or the Registrar's Office.

- Added classes are listed on bulletin board and closed classes are listed on monitors both located near the Registration Center.

- You can make schedule changes by completing an Add/Drop form found on the back of your Schedule Confirmation or at the Registration Center.

- You can check your grades on the Touchtone Telephone and get a copy from the InfoAccess terminals at the Registration Center or at the Registrar's Office in Carter Hall.

## Course Load

- The maximum total course load for summer semester is 15 credits.

- You may take a maximum of 9 credits during either the First or Second 6-week Session (May 13-June 23 or June 24-August 4).

- You may take a maximum of 10 credits during the Educator's Session (June 8-July 31).

- You may take a maximum of 15 credits during the 12-week Session (May 13-August 4) or the 13-week session (May 11-August 7).

- You must receive permission for an overload to take more than the maximum credits. Overload limitations apply to work completed in both on-campus and off-campus programs.

- For undeclared undergraduates, the Academic Advising Center can grant this permission.

- For undeclared graduates, the department/division chair/director for the majority of your classes can grant this permission.

- For undergraduates and graduates in the College of Education, the division director can grant this permission.

- For undergraduates and graduates in the College of Arts and Sciences, your major advisor or the chair of your major department can grant this permission.

- For undergraduates and graduates in the College of Health and Human Sciences, you need to secure the permission of both the division director/chair and the Dean.

- For undergraduates in the College of Business Administration, the chair of your major department can grant this permission.

- For undergraduates and graduates in the College of Performing and Visual Arts, your major advisor, division chair or director, or Undergraduate/Graduate Coordinator can grant this permission.

## Full-Time Enrollment

For financial aid and enrollment verification purposes, summer semester full-time enrollment is 9 credit hours for both undergraduate students and graduate students.

## Immunization

(970) 351-2412

Colorado State law requires that all students who were born after January 1, 1957, show proof of immunization prior to registering for classes.

Students must submit the completed Certificate of

Immunization or Statement of Exemption form to the Student Health Center in order to be allowed to register for classes. If you are registering by mail, include these forms in your packet for the Registration Center.

The Certificate of Immunization form must show that the student received immunization against mumps (two doses), measles (two doses), and rubella (two doses), after age 1. If you need more information about this requirement, contact the Student Health Center at 351-2412.

## Course Audits

(970) 351-2521

You can register for audit (no credit) in a class by listing "0" credits on your Course Selection form or following the telephone registration instructions. You must select the audit option before the Add/Drop deadline. Tuition and fees are the same for credit or audit options.

You do not need to complete graded assignments or exams when you audit a course, but you are expected to attend classes. Successful completion of the course will result in assignment of a NC (no credit) grade.

## Course Numbering

Courses numbered 100 to 499 are for undergraduate credit and those numbered 500 to 799 are for graduate credit. Undergraduates may not enroll in courses numbered 500-799 except juniors and seniors with cumulative grade point averages of 3.0 who may enroll in courses numbered 500. See *UNC Bulletin* for more detailed description.

## Restrictions

Registration restrictions placed on courses appear in the notes of the course description; several courses in this publication are restricted to certain groups of students. For further information regarding qualifications for a restricted class, contact the department or the instructor. If permission is granted, the instructor will use the touch-tone release system to open a space in the course, but afterward you must register for the class.

## Grades by Phone

All registered students may access grades using the Touchtone Telephone Information System. Updated grades, term totals and GPAs are available beginning 9 am July 6 and ending two weeks into the

next semester. As individual summer courses end and grades are submitted, grades are available. The system will respond by giving your grades for the current term or by listing the date that current term grades will be available.

Phone 351-2825 and enter service code "2" for grades, using your nine-digit student identification number and your four-digit student information number (SIN = birth month & day only, ex: 0708)

## Grades by InfoAccess

Terminals are located in the University Center near the Registration Center and the Registrar's Office, Cater Hall. You can print your grades by choosing the second menu selection. Enter your nine-digit student identification number and your birth month & day, the term and year of the grades you want to access (term 4 for Summer, 1998). Grades are available by InfoAccess beginning August 24.

## Graduation

Commencement is scheduled for 9:30 am, Saturday, August 8.

Application deadline dates for graduate students are May 15 (without a late fee) and June 26 (with a late fee).

Application deadline date for undergraduates is May 29.

Students who participate in the ceremonies wear the appropriate attire, which may be rented at the UNC Bookstore.

If you are eligible, but plan not to participate in commencement, notify the Registrar (undergraduate) or Graduate School (graduate) at least two weeks before graduation.

## Transcripts

(970) 351-2231

You may order transcripts from the Registrar's office, Carter 3002 for \$5 each. Your signature is required to release your transcript. Official transcripts with summer session grades are available two weeks after the last day of the semester. Degrees awarded summer semester are recorded three weeks after commencement.

When ordering a transcript, identify any specific summer semester courses to be included. Normal

processing time is two working days after receipt of your request if all desired grades have been posted on records.

## Faculty Drop

An instructor can drop a student from class if he or she does not attend the first two clock-hours of a class.

Non-attendance will not automatically drop you, but if you cannot attend the first two hours of any class, it is advisable to contact the instructor before the class meets.

## Aims Cooperative Registration

If you will be enrolled for 12 on-campus credits and are paying full-time tuition at UNC or Aims Community College, you may be eligible to take one undergraduate class (maximum 5 credits) at the other school during the corresponding term without additional tuition charges.

You must meet prerequisite requirements and must pay any course fees other than tuition. Please refer to published transfer guides to determine courses which transfer between Aims and UNC. The free course at the host school must be one not offered at your home school during that corresponding term; equivalent course titles between institutions are listed on the course equivalence guide available at the UNC Admissions Office or Aims Admissions Office. Continuing Education courses (including Challenge courses) do not count in the 12 credit full-time requirement and cannot be taken as the free class.

Aims students register for UNC courses on the first class day at the UNC Registration Center in the University Center. UNC students register for Aims courses via normal procedures outlined in the Aims Schedule of Classes; however, in place of payment, the UNC student completes a certifying form at the Aims Cashier's Office. At the end of the term, students found to be ineligible will be billed for and must pay tuition charges to the host school.

## Correspondence Courses

(Independent Study)  
(970) 351-2944 or (800) 323-1749

Set your own pace and choose the most convenient time and place to study. Enhance your skills, solve a scheduling problem, or meet graduation requirements with this format.

Independent study may be applied toward your college degree requirements if approved by your major advisor. Call for a College of Continuing Education Off-Campus Summer Schedule.

## Non-scheduled Courses

Register for non-scheduled courses, such as practica, theses, internships and dissertations by completing the Non-scheduled Course form available through academic departments. Also required is a Rational for Course Credit form which is filed in the department. Register for non-scheduled courses in person using course ID numbers 0732, 0733, and 0734.

## Senior Citizens Audit

(970) 351-2521

Senior citizen (over 60) may register for undergraduate lecture courses for no credit (audit) on a space-available basis, without paying tuition (program materials, lab and other fees will be paid by enrollee). Complete registration in person at the Registration Center, University Center.

## Variable Credit Courses

Some courses are available for a variable range of credit. To determine the number of credits you need for registration, check with the instructor. List the number of credits on your Course Selection form or follow the telephone registration instructions. You can make changes to variable credit courses until the Add/Drop deadlines.

## In-State Classification

If you have been "domiciled" in Colorado for one year or more immediately preceding the first day of classes, you may be eligible for in-state tuition classification. A domicile is a "person's true, fixed and permanent home and place of habitation." It differs from the notion of residence or mere physical presence because a person may have only one true domicile at a given time. To establish a Colorado domicile, a person must be 22 years of age or emancipated.

Evidence that a Colorado domicile has been established includes meeting state requirements for a full one-year period for auto registration, driver's licensing, and payment of state income tax.

Active-duty Armed Forces personnel and their dependents stationed in Colorado on a permanent change-of-station basis may contact the Registrar's Office for information about qualifying for in-state tuition rates.

A student's tuition classification is determined before or at the time of registration. If, at a later date, you think that the tuition classification is no longer correct, you may obtain a petition to change your status from the Registrar's office. The completed petition must be returned no later than the first day of classes for the given term.

## Add or Drop Courses

(970) 351-2521

For instructions on Add/Drop procedures, refer to the telephone and/or in person registration instructions. You may add or drop individual classes during the Add/Drop period. For specific Add/Drop deadlines for short courses and workshops contact the Registration Center.

Appropriate changes in tuition, fees, and other charges will occur during the Add/Drop period. See calendar at the front of this bulletin for Add/Drop deadlines.

## Withdrawing

(970) 351-2521

You may withdraw from individual classes after the drop/add deadline until the mid-point of the class at the Registration Center. Instructor signatures are required for each class.

You can initiate total drop/withdrawal from all classes until the last day of a session. Total withdrawal can be initiated at the Dean of Students office in Carter 3005 (970) 351-2796.

After the first day of classes, for each individual session, a service charge will be assessed when dropping/withdrawing from all classes in that session. To avoid this charge, you must withdraw from your classes BEFORE the second day of class. Besides tuition and fees, withdrawal may affect financial aid and enrollment verification status.

The class(es) will appear on transcripts as "W", a designation that will not affect your GPA. However, these classes remain calculated in your tuition and fees.

## Costs

- It is the student (not a parent, guardian, spouse, agency of a foreign government, or other third party) who is responsible for the payment of tuition, fees and other charges. A monthly service charge of 1.75% will be assessed on all unpaid billed charges.

- The University of Northern Colorado will not register a student, release a diploma, provide a transcript, or supply placement and other University services to any student or former student who has an outstanding financial obligation to the University other than a loan that is not yet due or on which payments are up to date. Failure to pay a financial obligation to the University when it is due may result in your account being placed with a collection agency and such action reported to a credit bureau. In addition, your account may be charged legal allowable collection charges and attorney fees to help secure repayment of the debt owed the University.

- For financial purposes the five summer sessions are considered as one cumulative session. Therefore, tuition and fees are calculated on the total cumulative hours for which you are enrolled during the five terms.

*All rates quoted in this booklet are approved by the Board of Trustees and are subject to change.*

## Recreation Center Fee

1-5 credits ..... \$7.80 per credit  
6+ credits ..... \$46.00

Your Student Service Fee, UC Bond Retirement Fee, Technology Fee, and Recreation Center Fees are committed to support essential student activities and services. You are required to pay these fees each term, whether or not you use activities and services underwritten by the fees.

You must register and pay tuition and fees to take a class for credit or to audit the class and receive no credit.

## Other Fees

In addition to general tuition and fees, a number of instructional and incidental fees have been established by the Board of Trustees. Some courses have instructional fees approved in addition to tuition and are noted as "fee required" in their descriptions.

## Incidental Fees

Payment of all incidental and other fees may depend upon your student status-graduate or undergraduate, degree-seeking or summer-only, requesting services, etc. The required incidental fees include:

- Admission application - \$30 undergraduate and \$35 graduate
- Graduation - \$20
- New Enrollment fee for new students - \$70
- Foreign language examination required for doctoral program - \$10
- Graduate student continuous registration to allow student to remain in the program during periods of non-enrollment - \$20

## Optional Incidental Fees

- Alumni Association Fee - \$1.50
- Students may contribute to the Alumni Association as a voluntary option during registration. Contributions support scholarships and alumni programming for students.

- CoPIRG - \$4

Students may contribute to support the UNC chapter as a voluntary option during registration.

In the spring of 1991, students voted to re-certify and fund the UNC chapter of the Colorado Public Interest Research Group. CoPIRG is a statewide, student-directed, nonpartisan, nonprofit organization that conducts research, advocacy, and public education on such issues as voter registration, air pollution, good government, tenant's rights, toxic waste, safe drinking water, and consumer protection.

If you do not wish to support the UNC CoPIRG chapter, you may waive your CoPIRG fee at initial registration or when you pay your bill.

## Other University Fees

- Official academic transcript - \$5 each
- To publish the abstract of a doctoral dissertation, assessed at the time the dissertation is accepted - \$65
- To bind and mail, within the United States, four copies of a thesis, practicum or dissertation study - \$60
- Replacement of University identification card - \$10
- Handling of check presented in payment of account that is non-negotiable - \$20

## Academic Program Fees

These fees apply to students in specific majors, only if you are enrolled in six (6) or more credit hours during a semester. In addition to specific course fees, these include:

- Business Major fee, \$20 per semester
- Business Minor fee, \$15 per semester
- Music Major fee, \$20 per semester

## Reduced Rate Tuition For Non-Residents

The University offers some special courses at a reduced rate tuition of \$128 per graduate credit hour for non-resident students. You will find these identified with stars (★) in the course listings.

Full-time non-resident students (9-18 credit hours) who enroll in a combination of reduced rate and regular rate courses will be charged first for the reduced rate credits at \$128 per credit hour, then for additional credits at the regular non-resident rate. The maximum charge for tuition is for nine (9) credit hours (the summer semester full-time load). Reduced rate credit hours count toward the full-time load for tuition. Please note that tuition is calculated on the total cumulative hours for which you enroll.

For example, a graduate non-resident student enrolled in a three (3) credit reduced rate course and nine (9) credits in other courses receives the following net savings:

### Regular Tuition Rates

Enrolled for a total of 12 credit hours at regular rate

total cost = \$4636

### Reduced Tuition Rates

Enrolled for a total of 3 credit hours at reduced rate (3 x \$128) = \$384

Enrolled for additional 9 credit hours in other courses (non-resident graduate tuition assessed on only 6 credit hours)

(6 x \$515) = \$3090

total cost = \$3474

Net Tuition Savings = \$1162

*All applicable fees (including Student Service Fees, UC Bond Retirement, University Technology Fee, Recreation Center Building Fee, Course Fees) apply to all workshops.*

## When to Pay

After you register for classes, you will receive a Statement of Account by mail. The first billing (May 8) will be sent to both your local and home address unless a billing address has been provided. The second (June 8) and third (July 7) billings will be mailed to your local address unless a billing address has been provided. All charges on student accounts must be paid in full by August 7 to prevent holds being placed on University services, including registration, transcripts, and diplomas.

## Where and How to Pay

Make payment at the Accounting Services windows in Carter Hall or by mail through one or a combination of the following methods:

- Pay in full by cash, check, or credit card (VISA, MasterCard, Novus/ Discover). A monthly service charge of 1.75% will be assessed on all unpaid billed charges.
- Pay through Financial Aid as approved by the Office of Student Financial Resources (Carter Hall).
- Pay through the CASE-UNC plan as described below.

## CASE-UNC Plan

(970) 351-2628

The Credit Available for Student Employees Plan (CASE) allows students employed by the university to apply income as it is earned to tuition, fees and other charges from student employment other than federal work-study. These arrangements can be made by contacting the Office of Student Employment in the Office of Student Financial Resources, Carter 1005.

## Financial Aid

(970) 351-2502

The Office of Student Financial Resources administers several types of state and federal aid programs including grants, loans, employment, scholarships and veterans' benefits. However, funding for the summer term is normally limited to Federal Pell Grants and loans. The average Pell Grant for summer 1997 was \$272. In all cases, students can be considered for summer aid only if they have not exceeded their maximum annual limits for federal financial aid programs during the preceding academic year.

Graduate and undergraduate students must enroll in a minimum of 6 credit hours to be eligible for loans.

Any UNC student enrolled at least half-time is eligible for student hourly employment on campus. Undergraduate students are required to carry a minimum of six credit hours, and graduate students must take five credit hours. Contact Student Employment, (970) 351-2628, regarding required documentation.

Students must submit the Summer Financial Aid Application available from the Office of Student Financial

Resources for initial consideration for aid for the summer term. Additional forms may be required.

## Student Health Center

(970) 351-2412

The Student Health Center provides assessment and treatment of illness, regular checkups and immunizations, and referrals to specialists as needed. The Center is staffed by nurse specialists, nurse practitioners, and by physicians who represent all medical specialties. Students are encouraged to make appointments by calling 351-2412. The Center is open Monday through Friday.

The Student Health Center is available to all UNC students, regardless of the type of insurance that students have. Students' spouses may use the health center by paying the student fee for the summer semester.

## Health Insurance

(970) 351-1915

Students are not required to have health insurance during the summer semester, but may purchase the UNC health insurance and pay only the summer semester premium. Students who purchased the UNC insurance for the preceding spring semester are covered for the summer semester without paying additional premiums. Students may also purchase insurance for their spouses or dependents. For additional information, contact the Health Insurance office at 351-1915.

## On-campus Housing

(970) 351-2721

The office of Residence Life maintains convenient, low-cost living accommodations on campus.

If you are enrolling for a 6-week Session, make your request for undergraduate or graduate summer housing by writing to or calling the Residence Life office.

Undergraduates and graduates may contract for room and board in a furnished West Campus Residence Hall.

Graduate or adult students (at least 25 years of age) can obtain housing in the West Campus Apartments, which are furnished and air-conditioned. Meal plans are available.

Students with families are eligible for accommodations in the West Campus Apartments or Student Family Apartments. The air-conditioned West Campus Apartments are furnished and have two bedrooms, a living area and a kitchenette. Student Family Apartments, located east of campus, have two bedrooms, a living room area and kitchen area with a microwave. These year-round apartments fill quickly.

## English Essay Exam

Successful completion of the English Essay Exam is a graduation requirement for every student and may not be challenged or waived. Register for the exam by the first semester of your junior year at the

Registration Center by 4pm on the Friday before the exam. Summer 1998 exams will be given June 10, 3-5pm, and June 11, 6:30-8:30pm. See course listing (EEE 333) for more information or phone (970) 351-1576 or contact the Writing Center, Michener L173, (970) 351-2056.

## Professional Teacher Education Programs

(970) 351-2908

UNC offers four Professional Teacher Education Programs (PTEP) that are designed to prepare teacher education candidates for Colorado Licensure: Elementary Education (K-6), Middle Grades Education in specific and support teaching areas (5-9), Secondary Education in specific teaching areas (7-12), and K-12 Education in the areas of Physical Education, Music Education, Visual Arts Education, and Special Education.

Students must complete a formal screening process to enroll in PTEP courses. Some PTEP courses may be taken concurrently with the screening process. Students who have received a Colorado teaching certificate/license or who have completed an out-of-state teacher certification/licensure program may be permitted to enroll in education courses without completing the full screening process. To register for PTEP courses, contact the School for the Study of Teaching and Teacher Education, McKee 216.

## James A. Michener Library

(970) 351-2671

Michener Library's collections include approximately 1.5 million items in monograph, periodical, government document, audio-visual and microform formats. In addition to the main library, there are two branch libraries: the Music Library (970) 351-2439, and the Laboratory School Library (970) 351-2476. Hours vary for each library and students are asked to call for specific times.

## The UNC Card

(970) -351-2821

UNC Students will quickly understand the importance of carrying their UNC CARD with them at all times. The UNC Card is not only the student ID card, it is also a Calling Card, Library Card, Dining Hall Access Card, and Recreation Center Access Card. In addition, every student receives a free Norwest checking account, and the UNC Card can be used as the ATM card. All financial aid net proceeds and student payroll is direct deposited into the free account.

By using the communication feature of the UNC Card (1-800-UNC-UNC4), students can send and receive voice mail, make long distance calls on or off campus, register for classes, and check grades.

Questions regarding the ID or any of the services offered by the UNC CARD can be answered at the UNC Card Office on the lower level of the University Center. The office hours are 8am - 5pm Monday - Friday.

## Campus Recreation Center

(970) 351-2936

UNC's \$8 million, 80,000 square-foot student recreation center has five gyms, a 6,000-square-foot space for cardiovascular machines and weights, a one-tenth-mile indoor track, an aerobics room, a climbing chamber, three racketball courts, and locker rooms.

## University Center (UC)

(970) 351-2007

The UC serves the University community and guests with cultural, social, recreational and organized co-curricular activities. The UC is located at the corner of 10th Avenue and 20th Street.

The UC is the information hub of the University, and houses the Registration and Academic Advising Centers, Career Services, Computer Commons, Copy Center, Food Court, Taco Bell Express, Convenience Store, electronic banking (ATM), Norwest Customer Service Center, Travel Center, UNC Card Office, Student Activities, and the University Bookstore.

Business hours for the UC are available by contacting 351-2007. The Bookstore is open Monday through Friday from 7:45am to 5pm in addition to posted Saturday hours.

## Career Services

(970) 351-2127

Visit the Career Services office, University Center, for career counseling, job search assistance including resume writing, interviewing, Internet usage, employer contacts, on-campus recruiting, credential file maintenance, Career Resource Library, career assessments, various standardized exam testing service. Call for fee schedules and other information or visit the Career Services' website, <http://www.unco.edu/careers/career.htm>.

## Youth and Family Activities

- The Campus Child Care Center (970) 351-2071, provides child care for children 6 weeks until kindergarten entrance during the fall and spring semesters only. For those needing care during summer session, the Center will post a list of child care resources at 1514 Bishop-Lehr. For additional information or to receive a copy of the resource list, please call and leave a message. Early inquiries for child care are encouraged.

- Weld Information Resource and Referral Service (970) 352-9477, maintains a list of licensed child care providers in Weld County.

- UNC's Reading Clinic (970) 351-2969, offers individual instruction in remedial reading (K - 12). Contact the School for the Study of Teaching and Teacher Education, McKee 213.

- Summer Enrichment Program (970) 351-2683, talented, gifted, and creative children (grades 5 - 12) may apply for acceptance in this program specially designed to meet their needs. There are two sessions of instruction each ten days in length. In addition, the Young Child Summer Enrichment Program strives to challenge high ability students ages 4 - 9. Four weeks of instruction from 9 to noon weekdays.

- The City of Greeley's Recreation Division (970) 350-9400 offers sports and activities for all ages.

- UNC Campus Recreation For Kids (970) 351-1996 will offer a number of recreational/camp opportunities for the children of students, faculty, staff and the public. The program provides morning sport and instructional activities on campus for children 8 - 15.

- College for Kids at Aims Community College (970) 330-8008, ext. 218, offers courses for children in grades 1-12. Contact Aims Office of Continuing Education, 5401 W. 20th Street, Greeley, Colorado 80634.

### ANT 508-402 Teaching Colorado Archaeology: Addressing the Geography and History Standards

Archaeology provides a multi-disciplinary approach for teaching national and state geography and history standards skills and content knowledge. Blend classroom and field experiences with archaeological and multicultural themes. Teachers are provided resources, lesson plans, class exercises, and assessment strategies for addressing K-8 geography and history content standards. Field experience in Estes Park. For information regarding accommodations, contact instructor Robert Brunswig at 351-2138 or e-mail rhburns@bentley.unco.edu  
Course dates: 7/16-19  
2 credits, RFSN 8:30am - 5pm; Brunswig, Robert #0753

## ART – Visual Arts

### ART 190-507 Art Appreciation

Course dates: 5/13 - 6/23  
3 credits, MTWR 1:15 - 2:55 pm; Guggenheim 201; staff #0510 - GE 4, non-major only, fee required

### ★ART 308-402 Porcelain Decoration

An exploration of decorating processes on porcelain using underglazes, texturing and water etching. Handbuild or use the potter's wheel to make forms to be fired. Students should have more than a beginning level background in throwing or handbuilding. An important objective will be to increase knowledge and skills which enable the student to work independently with forming, glazing and firing.  
Course dates: 6/29 - 7/9  
3 credits, MTWR 8 am - noon and 1 - 4 pm; Guggenheim 2; Luster, Richard #0724 - letter graded

### ★ART 308-403 Colorado Landscape Painting and Drawing

Emphasis in creating images in drawing and painting, utilizing the landscape varieties found along the Front Range, Eastern Plains, and in Rocky Mountain National Park. Landscape varieties explored include mountain vistas, tundra areas above timberline, the plains, and urban and wild areas. Choose from either or both materials used for drawing and painting, and create a series of images using landscape as a variation on a theme. Specific assignment categories dealing with scale, format, linear and aerial perspective, division of the picture plane, and sequential imagery will be given and you will choose five assignments to develop.  
Course dates: 6/22 - 29  
3 credits, MTWRFS 9 am - noon and 1 - 5 pm; Guggenheim 106; Jenkins, Virginia #0570 - letter graded

**★ART 308-422 Non-Traditional Approaches to the Figural Sculpture**

Explore alternative approaches to figural sculpture such as the use of found-objects and recycled "non-art" materials. Inventive solutions to constructing or assembling the above materials will be emphasized. The human form will be the basis for all works, but only at a starting point for experimentation. A history of "Anti'Art" precedents will be integrated into the course work.

Course dates: 6/8 - 18  
3 credits, MTWR 8 am - noon and 1 - 5 pm; Arts Annex 100;  
Stephens, Thomas  
#0723 - letter graded

**★ART 308-423 Art, Education and Computers**

Teachers will be provided with knowledge of how to apply computer art graphics for educational purposes. Develop art instruction strategies for a classroom with one or two computers, as well as learn use of the Internet and Web. This is an introductory course, no experience in computer science is required. It will consist of lectures and hands-on activities in the form of projects developed by the students.

Course dates: 6/22 - 7/2  
3 credits, MTWR 9 am - 2:10 pm;  
Guggenheim 205; Ursyn, Anna  
#0580 - letter graded

**★ART 308-501 Bead Experiences**

A studio course involving the use of beads in design, construction processes, and surface treatments in two and three dimensions.

Students should contact instructor for list of materials needed for first two days of class (351-2491).

Course dates: 5/14-16; 5/28-30  
2 credits, R 7 - 9 pm, FS 7:30 - 11:30 am and 1:30 - 3:30 pm;  
Crabbe 206; Carlisle, Betty  
#0572 - letter graded

**★ART 308-702 Workshop: Assignment Colorado**

Improve your photographic and visual-perceptual skills. Color transparency films used to provide experiences in landscape, still life, close-up, historical-documentary, scientific, and other methods of creative photographic interpretation. Daily field sessions. Travel by car to geographic locations in Colorado. Participants responsible for transportation, camera equipment, supplies, and commercial processing.

Course dates: 6/24 - 7/7  
3 credits, MTWR 8 am - noon and 1 - 6 pm; Arts Annex 200;  
Morimoto, Dennis  
#0511 - S/U graded

**ART 471-503 Computer Graphics**

Course dates: 6/1 - 11  
3 credits, MTWR 9 am - 2:10 pm;  
Guggenheim 205; Ursyn, Anna  
#0577 - lab, \$20 fee required

**★ART 508-402 Porcelain Forming and Decoration**

**CSPA 513-407 The Ninth Annual Summer Institute in Student Affairs: "A Campus Environment for the Twenty-first Century: The Role of Student Affairs"**

Our society is in the midst of major transformations as we enter the next century. Shifting demographics, changing economic agendas, and communication capabilities create competing social forces. Conflicts within nations are as common as those between nations. We find ourself in a more competitive and hostile world. Yet, one of the traditional roles of higher education is to prepare students for lives of civic responsibility achieved through character development. This institute explores the role Student Affairs plays in humanizing the campus and providing environments where civility prevails. Moral reasoning will be addressed and applications will be made within a campus context. Guest faculty include: Dr. Patricia M. King, Professor and Chair of the Department of Higher Education and Student Affairs, Bowling Green State University and Dr. Carlos E. Cortes, Professor Emeritus of History, University of California, Riverside.

**★HIST 513-411 Discovering the Colorado Plains**

A generation ago, the novelist James A. Michener found on the eastern Colorado plains a metaphor for life in the American West that he called *Centennial*. As the nation once more looks closely at the growth and expansion of the West, those communities, farms, ranches and towns in the shadow of the Rockies face changes no less dramatic than those chronicled by Michener. The University of Northern Colorado (Michener's academic home for five years) offers a personal glimpse at the traditions and heritage of the vast expanse of grassland known as the Great Plains, while incorporating the themes of race, class, gender, and environment that have altered our vision of the West and the nation as a whole. The course includes a one-day field trip to Plains communities and Indian cultural sites, as well as presentations by nationally known scholars of the Great Plains. Course dates: 6/24 - 26

**MED - Mathematics Education**

**★MED 509-402 Advanced Placement Program AB and BC Calculus**

Eleven years have passed since the start of serious calculus reform and eight years since the publication of the NCTM Curriculum and Evaluation Standards. During that time, technology has continued to have a major impact on the teaching of mathematics. Address these changes with "the people who have been there," experienced secondary school teachers and Advanced Placement-Calculus readers. You will make this a strong, practical experience as you learn how to use technology to make your AP programs successful and interesting; Review new content of AP courses and exams, exam grading procedures and recent exam copies; Discuss how to design and implement an AP program.

The main objective of this course is  
to present and analyze  
contributions made to modern  
educational and cognitive theories  
by leading XX century  
mathematicians. Special emphasis  
will be given to topics directly  
related to current educational  
practices and/or essential for  
understanding issues taught in  
other MED courses. Links of these  
contributions to ideas introduced  
by Confucius, Plato and Kant will  
be studied as well.

**★MUS 308-402 Summer Choral****Music Workshop**

For more than a decade, the UNC Summer Choral Music workshop has served the choral directors of the state and region with a comprehensive offering of choral topics given by nationally recognized choral directors and choral music educators. Join us for three days of lectures, demonstrations and rehearsals dealing with a variety of topics in choral music to include: vocal production for all ages of choral singers; elementary children's chorus techniques and the young voice, the adolescent singer, phrasing and style in choral music, technical expertise in conducting gestures, choral rehearsal pedagogy, motivation, choral literature for public school choirs (elementary through secondary), preparation of choral/orchestral works, and many other areas of interest for the complete choral director. Workshop participants also have the opportunity to perform with the Summer Concert Choir which joins the workshop to add an exciting dimension of formal performance

of a major choral work.

Attendance in the workshop has tripled in the past decade due to the popularity of the course.

**★MUS 508-402 Summer Choral  
Music Workshop**

For more than a decade, the UNC  
Summer Choral Music workshop  
has served the choral directors of  
the state and region with a  
comprehensive offering of choral  
topics given by nationally  
recognized choral directors and  
choral music educators. Join us for  
three days of lectures,  
demonstrations, and rehearsals  
dealing with a variety of topics in  
choral music to include: vocal  
production for all ages of choral  
singers; elementary children's  
chorus techniques and the young  
voice, the adolescent singer,  
phrasing and style in choral music,  
technical expertise in conducting  
gestures, choral rehearsal  
pedagogy, motivation, choral  
literature for public school choirs  
(elementary through secondary),  
preparation of choral/orchestral  
works, and many other areas of  
interest for the complete choral  
director.

Workshop participants also have  
the opportunity to perform with  
the Summer Concert Choir which  
joins the workshop to add an  
exciting dimension of formal  
performance of a major choral  
work. Attendance in the workshop  
has tripled in the past decade due  
to the popularity of the course.

choral repertoire, under the  
direction of one of our national  
guest clinicians from the Choral  
Music Workshop. The choir will be  
made up of community members  
and UNC summer students, as well  
as the workshop participants.  
Those with previous singing  
experience interested in  
participating can contact Dr. Galen  
Darrough at 351-2290 for  
information and a rehearsal  
schedule.

Summer 1998

Registration

Forms

# Telephone Registration Instructions

## Student ID Number

Your social security number is your student ID number unless you attended UNC before Fall 1971 or have been assigned a special number. If your student ID number is less than nine digits, enter zeros before it to make nine digits. After you enter your student ID number, wait for a voice response.

## Registration Number

The four-digit registration number appears with each course description. To insure that you enter the correct registration number, fill out the Registration Worksheet before you phone the system.

## To End Registration

The "8" key enters your class requests and leads to termination of your Telephone Registration session. Press this key after you have entered all transactions and wait for a voice response. If no classes are rejected, you will hear a list of your courses and fees, and the session will be terminated. If any of your classes are rejected, you will be returned to the add and drop functions. Your class schedule transactions are not final until this verification is completed.

Remember to always press "8" to finish your registration process.

## To Change Registration

After completing your initial registration, you may add and/or drop courses. Refer to the worksheet for more information. Students who wish to drop all of their classes must contact the Dean of Students office at (970) 351-2796, Carter 3005, to complete an exit interview.

## Optional Fees

Note that you will not be prompted for either the CoPIRG or Alumni Association fee request.

The CoPIRG fee can be waived only on your initial registration of the session. At that time if you do not wish to pay this fee, you must press the "9" key and wait for a voice response indicating that the fee has been waived.

You may contribute to the Alumni Association only on the initial registration of the semester. If you wish to pay the fee, enter 91 and wait for a voice response indicating that the fee has been applied to your bill.

## Special Situations

- If you wish to audit a course, enter "0" (zero) and then the 4-digit registration number, and wait for a voice response. You will be charged tuition and student fees for audited courses.
- To register for variable credit courses, enter 1 and then the 4-digit registration number. Enter the desired number of credit hours in two digits (for example 01), and wait for a voice response.
- Time conflict courses, instructor-permission-only classes, and overloads cannot be added through the Telephone Registration System. These classes require you to have a special permit to enter them. You may obtain permit forms for schedule conflicts in the academic department.

Restricted classes must be released by the instructor of record by using the touch tone release system.

## Cost to Register

A one-time-only summer semester fee of \$3 allows you to register for classes, change your schedule, or obtain financial aid information by touch-tone telephone.

## Grades By Phone

12-week and second 6-week session grades will be available after 9 am on Friday, August 15. First 6-week session, short course, and

workshop grades will be available as submitted.

Phone 351-2825 and enter service code 2 for grades, using your student information number (SIN), which is usually your birth month and day. Use two digits for month and day; precede a single digit number with a zero.

The system will give your grades for the current term or the date your grades will be available.

## Financial Aid

You may access information about financial aid application or other general financial aid information through the Touchtone Telephone Information System. This option is covered by the per-semester charge.

1. Call 351-2825 (the system number)
2. Enter Service Code "3" for the Financial Aid Main Menu
3. You may choose any of the following options from the Financial Aid Main Menu by pressing the corresponding numbers:
  - "1" for Financial Aid Application

Process deadlines and types of aid available.

"2" for office hours, policies, etc.

"3" for student's own application - enter your nine-digit student identification number (social security number) - enter your four-digit student information number (SIN=birth month & day only, ex: 0708 = July 8). If you have accessed information through the kiosk you have changed your SIN to a new 4-digit number. Enter the number you chose.

"4" for Financial Aid Transcript Request information

"9" to exit to Financial Aid Main Menu at any point

"99" to exit the system after any menu item. In the late evening or early morning hours maintenance is done on the telephone system. If you should get the message a computer error has occurred, please hang up and try again later.

# Parking

Everyone must have a permit to park on campus. Please see the parking map in this Bulletin. To obtain a parking permit, vehicle registration is required. Please use the form below to request your summer permit.

Weekly permits are available for \$5 from Parking Services. Summer students who will be on campus less than a week may purchase daily permits (\$1 per day) from the red dispensers located in student lots. A limited number of metered spaces also are provided in most parking lots for short term parking only.

Parking spaces for wheelchair and handicapped students are located in each campus lot, but a UNC permit to use them is required. Wheelchair permits can be purchased from the Disability Access Center office in Bishop-Lehr, or by special arrangement from the Parking Services Office.

For more information contact Parking Services (970-351-1971). Office hours are Monday-Friday, 8 am - 5 pm through Spring semester, and 7:30 am - 4 pm Summer semester. The office is located in Gray Hall on central campus.

The University maintains an educational record for each student who is or has been enrolled. In accordance with the Family Educational Rights and Privacy Act of 1974, as amended, (hereafter iAct) the following student rights are covered by the Act and afforded to all eligible students at the University.

1. The right to inspect and review the student's education records within 30 days of the day the University receives a request for access.

Students should submit to the Registrar written requests that identify the record(s) they wish to inspect. The University official will make arrangements for access and notify the student of the time and place where the records may be inspected.

2. The right to request amendment of the contents of the student's educational records which are believed to be inaccurate, misleading, or otherwise in violation of the student's privacy or other rights.

Any student who believes that his/her education records contain information that is inaccurate or misleading or is otherwise in violation of his/her privacy or other rights or who believes that his/her records have been or are being maintained or processed in violation of his/her privacy or other rights, may discuss his/her concerns informally with the Registrar's Office. If the decision of that person is in agreement with the student's request, the appropriate records shall be amended and the student shall be notified in writing of the amendments(s). If the decision is not in agreement, the student shall be notified within thirty (30) calendar days that the records will not be amended and the student shall be notified by the official of the student's right to a hearing.

Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. iSchool officials' shall mean any person who is a trustee, officer, agent or employee of the University. iLegitimate educational interest' shall mean any authorized interest or activity undertaken in the name of the University for which access to an education record is necessary or appropriate to the proper performance of the undertaking. It shall include, without limitation, access by a student's instructor, department or division head, dean, the chief academic and student affairs administrator, the president, a trustee, the custodian of the University records, the alumni administrator, legal counsel, the financial aid administrator, administrators charged with maintaining education records, the staff and subordinates of the foregoing, and others authorized by the President to the extent the foregoing persons are acting within the course and scope of their employment or authority.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the University of Northern Colorado to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:  
Family Policy Compliance Office  
U.S. Department of Education  
400 Maryland Avenue, S.W.  
Washington, D.C. 20202-4605

Each of these rights, with any limitations or exceptions, is explained in the University's policy statement, a copy of which may be obtained in the Registrar's Office.

The University may provide Directory Information in accordance with the provision of the Act without the written consent of an eligible student unless it is requested in writing that such information not be disclosed. Elements of directory information are released to general inquires, listed in the phone book and published in a World Wide Web directory. The items listed are designated as Directory Information and may be released to any person for any purpose at the discretion of the University unless a written request for nondisclosure is on file:

Name, address(es), e-mail address, telephone number (es), dates of attendance, classification, enrollment status.

The most recent previous institution attended, major field of study, awards, honors, degree(s), conferred, degrees pursued or being pursued.

Past and present participation in officially recognized sports and activities, physical factors of athletes (height and weight), date and place of birth.

Current eligible students may prohibit general disclosure of this Directory Information by notifying the Registrar's Office in writing within 10 calendar days after the first scheduled class day of each fall term. The University will honor the request until the student notifies the Registrar's Office in writing of intent to allow release of Directory Information. Students should carefully consider the consequences of any decision to withhold any category of Directory Information. Regardless of the effect upon a student, the University assumes no liability that may arise out of its compliance with a request that such information be withheld. It will be assumed that the failure to request the withholding of Directory Information indicates consent to disclosure.
